Forward Together Facilities Initiative

Updated Recommendations

February 5, 2026

Recommendations were presented in a public community meeting on January 13, 2026, at Westminster High School and have not yet been voted on by the Board of Education.

The Forward Together Facilities Initiative (FTFI) committee recommended that the Westminster Academy for International Studies transition to Harris Park, continuing its internationally focused programming within Harris Park, which will expand from a PK-5 to a PK-6.

Originally, the proposed change was set to take place in preparation for the 2027-2028 school year. If approved by the Board of Education, WPS will instead implement this transition beginning in the 2026-2027 school year.

The recommendation will be presented to the Board of Education at the meeting on February 10, 2026, with formal decisions to be made at a later board meeting.
