

Birthday/Special Occasion Celebration Guidelines

- Birthday treats are to be distributed during lunchtime or at dismissal ONLY.
- Instructional time may not be interrupted and/or compromised as a result of birthday celebrations.
- Treats must be store-bought, peanut-free, and pre-packaged.
- Teachers must check with the health office before treats are distributed. Some students may not inform adults of their life-threatening allergies.

Birthday Invitation Guidelines

~ If your child is having a birthday party and would like to invite all of the students in the class to the party, you are welcome to send the party invitations to school and your child may distribute the invitations at dismissal to his/her classmates.

~ If your child is having a birthday party and you are not planning to invite all of the members of the class, please assist your child in distributing invitations discreetly at dismissal. This helps to prevent hurt feelings.
