

DLS Scheduling 2026-2027

February to March

Use this document as your guide
for step-by-step instructions

DLS Scheduling Steps 2026-07

- 
- Ask teachers about their suggestions for courses for your next year (CP, Honors, AP)
 - Obtain signatures from teacher(s) for any AP courses
 - Input course request to Infinite Campus
 - Parent sign off on projected schedule and student meets with counselor to review requested schedule

DLS Scheduling 2026 Timeline

- FEB 9:** Curriculum Guide completed and posted.
- Those students interested in AP pick up the AP Course Request Contract from a counselor and consult with their counselor, AP teacher, and parents.
- Parents and students review Curriculum Guide course descriptions, consult with teachers and consult with counselors regarding potential course requests.
- Instructions for how to request classes online are posted.
- FEB 16:** Online Course Requests Opens. Students review choices with teachers, counselors, and parents.
- FEB 20:** Online Course Requests Closes at midnight. Those not completed are placed on a waiting list.
- Completed AP Course Request Contract due to counselors.
- FEB 23:** Counselors begin to resolve any discrepancies.
- MAR 9:** Counselors complete request resolutions.
- MAR 10:** Departments receive course request lists and grades for review and adjustments; discuss with other departments/counselors.

Graduation Requirements

More details can be found on the DLS website, curriculum guide.

MINIMUM GRADUATION REQUIREMENTS	
Subject Area	Description
ENGLISH 4 Credits	<ul style="list-style-type: none">• Mandatory subject for all four years.
MATHEMATICS 4 Credits	<ul style="list-style-type: none">• Mandatory subject for all four years.
THEOLOGY 4 Credits	<ul style="list-style-type: none">• Mandatory subject for all four years.
SCIENCE 3 Credits	<ul style="list-style-type: none">• Mandatory subject for the first three years.
SOCIAL STUDIES 3 Credits	<ul style="list-style-type: none">• Mandatory subject for first three years, and<ul style="list-style-type: none">• Economics (junior or senior year),• U.S. Government (junior or senior year).
FOREIGN LANGUAGE 2 Credits	<ul style="list-style-type: none">• Must be the same language, consecutive years.• Students enrolled into ESL are not required to learn a third language.• FAST students enroll during their sophomore and junior years.• 2 years of American Sign Language via My Virtual Academy is acceptable if pre-approved.
HEALTH & PHYSICAL EDUCATION 1.5 Credits	<ul style="list-style-type: none">• One-half PE credit in freshman year.• One-half PE credit in sophomore year.• One-half credit of health in sophomore year.
ART/MUSIC 1 Credits	<ul style="list-style-type: none">• One year of art and/or music is required for graduation.
TECHNOLOGY 0.5 Credit	<ul style="list-style-type: none">• Beginning with the Class of 2027, one half credit technology course is required for graduation.
ELECTIVES 3.5 Credits	<ul style="list-style-type: none">• Various courses.• Beginning with the Class of 2027, one-half credit of Personal (Bloomberg) Finance is required for graduation

Graduation Requirements

Senior Status:

No student can be considered a senior unless he can meet all of the graduation requirements within the regular school day and current school year. There are three criteria to determine graduation eligibility: 1) Number of credit hours earned, 2) Credit in requisite coursework and service as delineated, and 3) Passing semester grades in all courses. Students may not graduate early. Students will not be considered a graduate until all exams are completed and passed for credit (D- and higher).

	Freshmen	Sophomore	Junior	Senior
Required Min. Credit Hours	7.0	7.0	6.5	6.0
Grade Level Credit Hours	0 – 7.0	7.0 – 14.0	14.0 – 20.0	21.0+

*Seniors enrolled in three (3) or more AP courses are only required to take five (5.5) credits. This may include one (1) AP course from their junior year.

Course offerings are subject to change without notice

DLS Scheduling Finer Points 2026

- Students must have at least 0.5 credits of Technology as well as a Personal Finance course (also 0.5 credits). Engineering or Robotics counts towards Tech credit requirements.
- Freshman or Sophomore students who request an elective may **not** be able to take PE due to scheduling limitations. However, Freshmen will still be required to complete their PE/Health requirement before graduating.

New courses '26-27; AP Business Principles with Finance, Civil Engineering & Architecture, Drones Tech & Unmanned Aircraft Systems, & Medical Interventions.

Course Name Changes: Intro to Tech is now AI & Cybersecurity,
Personal Finance is now Bloomberg Finance

AP Courses and Forms 2026

DE LA SALLE COLLEGIATE

BUILDERS of BOYS. MAKERS of MEN.

Application for Advanced Placement (AP) Course(s) - Form G

Student Name: _____ Current Grade Level: _____

Thank you for your interest in registering for an Advanced Placement (AP) course!

1. Before completing this form, read the entire form and consult your counselor, parents, and the teacher(s) of the AP course(s). Be sure to read the course description(s) in the curriculum guide at <https://www.delasallehs.com/academics/curriculum>. Current teachers in related subjects are also great resources for assisting in identifying courses that are a good fit for your interests and abilities.

IMPORTANT SCHOOL POLICY - PLEASE READ

AP courses are elective courses and each student's academic performance and potential are examined closely. AP students are **required to take the end of course exam**. The AP exam fee is \$98 per exam for the last test. A student may be permitted to take an AP exam if he originally requested the course during the requesting period (usually February), but was unable to be scheduled for the course due to a scheduling conflict. A student may be permitted to take an AP exam if the course is not offered at DLS and he has demonstrated a propensity as determined by the assistant principal to pass the exam based upon his academic performance at DLS. In either case (scheduling conflict or course not offered), a written request for an exception to policy to take an AP exam must be made by the student and parent to the department chairperson no later than October 30th of that particular school year. The department chairperson and assistant principal will then make the final determination and advise the student. If approved, the student shall submit a non-refundable check payable to De La Salle Collegiate High School for the fee(s) associated with taking the exam(s). In order to promote academic learning and diligence, schedule changes will not be considered if the student is passing with a "C-" or higher. If a schedule change is approved, the student's current grade in the class will be transferred to the gaining class to ensure accountability, accuracy, and equity. Credit is earned at the completion of a course, no partial credit is awarded for a course. A student who withdraws from a course will not receive any credit for that course and the **withdrawal will show on the student's transcripts**.

2. Meet, individually, with each advanced placement teacher to review the course expectations, workload, and possible summer requirements. For each AP course you are interested in scheduling, write the name of the course in the request box and be sure to have the teacher complete the rest of the request box.

Infinite
Campus

Timeline Open in Infinite Campus

OPENS: MONDAY, FEBRUARY 16 (2026) @ 8:00 AM

CLOSES: FRIDAY, FEBRUARY 20 (2026) @ 12:00 AM

The Online Request Infinite Campus portal will be
CLOSED after 12:00 AM on Friday, February 20

Steps to Request Courses

NOTE: The 'units' will designate a full year (4) or half year (2) course

NOTE: Theology Courses have been pre-selected for each student

NOTE: Alternative class requests are encouraged but not required

1. Logon to either a Student or Parent Infinite Campus account
2. Click on More on left panel
3. Click on Course Registration
4. Click on Course Registration Enrollment for 26-27 De La Salle Collegiate
5. To Add a course, click on Add Course at bottom of screen
6. Search courses by name or number (noted on summary matrix document)
7. Click on + to add course as Request or Alternate
8. When ALL courses have been requested, click on Print at bottom of screen.

Steps to Request Courses (continued)

Each student must ***print off*** the course requests summary page.

A parent is required to **sign and date** the form to be turned into the Counseling Office by Monday, February 23 so that counselors can start facilitating the schedule for next year.

DLS Scheduling 2026

Course Change Requests are Limited

After the course request and verification processes are completed, all course request selections are considered **final and cannot be changed.**

The final decision for course offerings, student placement, and course changes rests with the school administration. Student schedules are considered final for the entire year once the master schedule is complete and the schedules published.

Course Change Requests are Limited

The course selection process gives many opportunities for the student and parents to seek professional advice. Schedule changes are significant for the student, the class to which he moves, and for the teacher, who gains a student who is not academically in the same place as the rest of the class.

DLS builds the schedule for what was originally requested.

Hence, there are no schedule changes except during the second week of each semester.
