Did you know....

The Freehold Art Society began exhibiting their members' works at Freehold Public Library in 1976. That's fifty years of fine local art adorning the library's walls!

February's Book Group Selection

The Book Group welcomes author Mary Ann McGuigan who will present her collection of short stories, *That Very Place*. In March, the group discusses *My Own Words* by Ruth Bader Ginsburg. To join the Book Group or for more information, contact Kathy at the library, kmulholland@freeholdpubliclibrary.org.
