    - Playgrounds at Eastridge and Wooden are complete; ribbon cutting will be next Monday before the board meeting 4:30pm and 5:00pm
    - Baseball and softball fields are coming along well
    - Beginning architectural drafts for CTE building, elementary, and Goodloe stadium
    - We will find out if we will be 5A or 6A in February/March
    - School Calendar will be late March
    - Mrs. Sanford asked committee members for suggestions of how to honor the seniors for 2027 since there will not be any home games at the stadium

3. District Of Innovation
    a. Book selection approval by the SLAC
        - Laura Kelly explained the recommendation for Library collections modification and shared information about who the members of SLAC
        - No orders have been approved yet this year
        - DAC voted 17/17 in favor of adding this recommendation

4. Curriculum Update
    a. District Level Professional Development
        i. Training Topics

Lynn Dockery, Curriculum Director shared the planning process

- Start looking at needs prior to the school year ending
- PD sessions are available in the summer
- Back to school PD offered to new and returning teachers
- This year big focus on Research Based Instructional Strategies (RBIS)

    b. Bluebonnet Secondary Math implementation

- This implementation is 6-8th grade Math and Algebra 1 at the MS and HS
- Outside vendor is providing technical support
- This support is paid for through the LASO Cycle 3 grant offered by TEA

5. Teacher Incentive Allotment
    a. Program information

LaKesha Bass, TIA Lead shared program information

- The purpose of this program is to offer an opportunity for effective teachers to stay in the classroom while earning more money
- ROISD applied last year and was accepted; we are now in the data capture year
- Wonderful aspect of this program is that teachers are rewarded for student growth - not just scores
- HB2 - Adding an “Acknowledge” category which allows for the top 50% of teachers in the state to receive additional compensation
- No extra work for teachers; they just continue working with their students to grow them academically
