STUDENT RIGHTS & RESPONSIBILITIES

Student rights and responsibilities are outlined in booklet called Collier County Public Schools Code of Student Conduct printed by the District School Board of Collier County. The disciplinary consequences listed below should be considered guidelines to maintaining a safe and orderly school environment. These consequences are progressive in nature. Repeat rule violations will yield stricter penalties. Any staff member has the right to discipline a student, regardless of grade, who is not exhibiting proper behavior in school. Students who have a record of not following school rules or who exhibit behavior that does not reflect the standard of the school and/or community will not be allowed to participate in school sponsored activities such as award assemblies, field trips, or other activities. Participation depends on good citizenship. Students will behave in a manner that will be a credit to our school and strive to exemplify the Collier County School Board’s adopted seventeen character traits which are:

CHARITY	FAIRNESS	JUSTICE
CARING	INTEGRITY	COURAGE
FORGIVENESS	CITIZENSHIP	COOPERATION
HONESTY	KINDNESS	PATRIOTISM
PERSEVERANCE	RESPECT	RESPONSIBILITY
SELF-CONTROL	TOLERANCE	

OMS STUDENT PLANNER EXPECTATIONS

The student planner is designed to be a communication tool for students, parents, and staff members. All class assignments are to be recorded by students, with guidance provided by their teachers. The hall pass pages record the daily out-of-class activities for each student, including bathroom breaks. No extra hall passes are given to students; all passes are documented in the planner. It is a school-wide expectation that all students carry their planner to all classes every day. Planners are not to be shared with other students. Planners are not to be folded out or altered in any way from their original form. The first planner is given to each student at no cost at the beginning of the school year. If a planner is lost or damaged, student hall pass and classroom bathroom privileges will be suspended until a new planner is purchased in the Student Services back office.

SCHOOL SAFETY

It is the responsibility of all OMS students and staff to support a safe school environment. Established safety procedures include restricted entry into the building. Students should never open external doors or gates without permission. Students are expected to immediately report to faculty, staff or YRD any information they may have relating to dangerous or potentially dangerous individuals or situations. School safety is serious business. Therefore, all unsafe actions by students or adults are not tolerated.

EVACUATION DRILLS, SAFETY AND SECURITY PROCEDURES

OMS Staff has procedures for all types of emergencies. Students and staff shall participate in all mandated drills throughout the school year. OMS has plans in place to address crisis situations. OMS employs video and audio surveillance equipment for monitoring, discipline, and security purposes.

STUDENT INFORMATION – PARENTS SHOULD KNOW:

BEHAVIOR EXPECTATIONS

Oakridge Middle School adheres to the Collier County Public Schools (CCPS) Code of Conduct, which can be found at the district website www.collierschools.com. The CCPS Code of Conduct provides a progressive discipline model. The Code of Conduct includes the behavior/ consequence matrix, which outlines the appropriate consequence(s) for violation of the Code of Conduct, up to and including expulsion. The information in this planner is provided as a guide and is not intended to be all inclusive.

Additionally, OMS follows the CCPS Positive Behavior Interventions and Supports (PBIS) program whereby good faith efforts are made to recognize positive and exemplary student behavior. PBIS rewards can be earned individually in the form of "Bulldog Bucks" and "Positive Referrals" and collectively through PBIS grade level "Reward Days".

COMMON AREA BEHAVIOR & OUT OF AREA

It is part of the mission at OMS to provide a secure and safe environment for all students and staff. Rules that help ensure a safe environment include walking at all times, talking in a normal voice volume, keeping hands and feet to themselves, and being respectful and courteous to everyone. During the school day, all students must have student planner passes when out of the classroom. Besides having a valid pass in the planner or alternative written pass, the student must be in the area of the school designated on the pass. Students found out of the area designated on the pass or being in an area of the school unrelated to business noted on the pass, is not permitted. Failure to follow these expectations will result in consequences, including a possible major discipline referral for being out of area.

CARE OF THE BUILDING

Students are asked to do everything they can to keep the campus clean and attractive. Be a thoughtful citizen by picking up paper and trash when you see it in the halls, cafeteria, and classrooms. Take pride in our campus by helping to keep all areas clean, including bathrooms. Damage, graffiti, or defacement of school materials, buildings, equipment, furniture, bathrooms, etc. will not be tolerated and will be punished to the full extent allowed by the CCPS Code of Student Conduct progression of discipline. Restitution will be made for damaged school property. Students and parents could be held financially responsible for damage to school materials loaned to you (this includes textbooks and computers).

BATHROOMS

Student access to bathrooms during class is a privilege, and is at the discretion of the teacher and may vary depending on instructional pacing, timing and goals. Students must have a planner and hall pass sign-out sheet to use the bathroom during class time. Students are not allowed to leave class to use the bathroom unless they have their planner in hand. If a student does not have a planner, a replacement can be purchased in the Student Services back office for \$5.00. Students must leave backpacks in the classroom when using the bathroom and are not allowed to take electronic devices to the bathroom, per the OMS “off and away all day” policy. When excused to use the bathroom, students are required to use the bathroom closest to their classroom.

CAR RIDERS

The car loop in front of the east side of the school is the only designated area to drop off and pick up student car riders. Due to safety issues, students are not to be dropped off or picked up at any location other than at the front car loop.

BUS RIDERS

Riding the bus is a privilege. In order to make our buses as safe as possible, each student is required to follow the rules and expectations posted on the bus and the verbal directives of the bus driver. Consequences for violation of bus rules and procedures include, but are not limited to, bus suspensions as outlined in the CCPS Code of Student Conduct progression of discipline. Bus rules and regulations are also outlined in the CCPS Code of Student Conduct.

The bus loop is located on the west side of the school. Only bus riders are allowed in the bus loop before and after school. Car riders and walkers should not be in the bus loop area before or after school; failure to stay out of the bus loop area will be considered out of area and documented with a major discipline referral.

Bus drivers retain the right to deny bus privileges if they feel your behavior jeopardizes the safety of others.

BIKE RIDERS

Students are allowed to ride their bikes to school. Per Florida statute, cyclists under the age of 16 must wear a helmet properly. Bikes are to be stored in the OMS bike corral located on the south side of the building, inside the pedestrian gate, or the back bike rack next to the Pebblebrook pedestrian gate. Students are encouraged to lock their bikes to the bike rack to prevent theft or misidentification of bikes. Theft or bike tampering should be reported to OMS administration immediately. Students on their way to and from school should take extra care and make eye contact with drivers when approaching and crossing neighborhood vehicle entrance/exit points.

BACKPACKS/BOOK BAGS/LARGE TOTE BAGS

A book bag, backpack or large tote bag that is of appropriate size may be used to store and transport belongings to and from school. Backpacks and large tote bags are defined as anything large enough to carry a 3-inch 3-ring binder. Academic lockers are available for rent upon request to students with unique circumstances at OMS for \$5.00. Specific access to lockers applies.

LAPTOP COMPUTERS

Laptop computers are the property of CCPS and are loaned to students with the goal of enhancing student learning and providing student access to technology-supported instruction. The use and care of CCPS laptops are the responsibility of the student, including any physical damage to the laptop. To protect the laptop, its contents, and avoid unauthorized use of their laptop, students are encouraged to use the school-provided carrying case and to log out (L) whenever the laptop is to go unattended during class (bathroom breaks, etc.). Use of laptops is a privilege which may be revoked if it is determined that a student is abusing laptop privileges in terms of use, content or physical damage (CCPS Rule #12). Students are subject to disciplinary action including major office referrals and ISS/OSS consequences for misuse of laptop technology or physical abuse of laptops, including scratching, writing on, dropping, or altering the physical appearance of the laptop. Please see the schedule of fees in the OMS student planner for a list of costs associated with repairing a damaged laptop.

Laptop Expectations

Responsible

- Do not abuse your laptop; it is the property of CCPS.
- During class, use your laptop for instructional purposes only.

Respectful

- You are responsible for any damage done to your laptop.
- Lock your screen (⏻ L) if you are leaving your laptop unattended.

Prepared

- Bring your laptop to school fully charged every morning.
- Carry your power supply with your laptop at all times.
- Check your Canvas Inbox once in the morning and once at night.

ID BADGES

ID badges are part of the OMS dress code and must be worn around the neck using an OMS issued lanyard at all times. ID badge student image and name should remain unaltered. All students will receive their first ID badge and lanyard free of charge. If forgotten, a temporary ID badge sticker is available for purchase for \$1.00 in the Student Services back office and must be requested upon arrival to school, before the first 9:00 bell. Students must purchase a replacement for lost, altered, or damaged badges and lanyards as soon as possible at a cost of \$3.00 each (ID and lanyard together for \$5.00). If you do not have the money, the amount owed will be billed to your Destiny account. You will receive consequences for obtaining a temporary ID badge sticker every 3rd instance requiring a sticker as follows:

Temporary ID Consequences	
Minor infraction	Parent contact
4th incident and beyond	Major discipline referral, parent contact, consequences according to CCPS progression of discipline (including, but not limited to ISS/OSS).

CELL PHONES & PERSONAL ELECTRONIC DEVICES

Upon arrival to OMS students will power off and stow away all personal electronic devices and place smart watches on silent “airplane/do not disturb” mode. The OMS electronic device policy is “off and away all day”. This means that when a student enters the gate upon entrance on campus, his or her personal electronic devices, including earbuds, are to be powered off and placed in their backpacks for the remainder of the school day until the student leaves campus through an exit gate. Students who violate the “off and away all day” policy, including the smart watch “airplane/do not disturb” policy, will be subject to disciplinary action according to the CCPS code of conduct. The progression of discipline for violation of the personal electronic device policy is as follows:

1st, 2nd incident	Warning, minor infraction.
3rd incident	Minor infraction, parent contact.
4th incident and beyond	Major administrative referral, consequences according to CCPS progression of discipline (including, but not limited to ISS/OSS), parent contact.

OMS administration will request parent permission when students who habitually violate Rule #12 in the CCPS Code of Conduct to check their cell phones in daily upon arrival and check their cell phones out upon dismissal.

If a student decides to bring a personal electronic device to school, please be advised that OMS and CCPS are NOT responsible for lost, stolen, or broken personal electronic devices. Speakers are not permitted on campus.

Disciplinary action for CCPS Code of Student Conduct-Rule #12:

1. Cell phones are to be powered off and concealed from view

from the time the school day officially begins until dismissal. Cell phone use during lunch, passing, or in the restrooms is strictly prohibited. Cell phones are to be powered off and concealed on district buses except as authorized by the driver.

2. Violations of CCPS Rule #12 may be documented on a Discipline Referral.
3. Any student cell phone, activated or not, is subject to the registration agreement procedure (provided at the beginning of the school year), and CCPS Rule #12.
4. Only an administrator/designee can give emergency use authorization.
5. The use of cell phones while at school or on school buses to record sound or visual images without the person's consent is strictly prohibited.
6. Students may be disciplined for inappropriate content stored on cell phones brought to school, school functions, or on the school bus.

Medical necessity for cell phones: Documentation is required if a student needs to have a cell phone in their possession due to a medical condition. Students who carry a cell phone due to medical necessity will be expected to adhere to all student cell phone policies.

DRESS CODE

Students should be aware of the importance of good grooming and its effect upon the learning environment. In addition to the OMS Dress Code, all other aspects of the CCPS Code of Conduct for dress also apply. Dress code violations are processed through the Student Services office. Consequences for violation of the OMS dress code are as follows:

Violation	Consequence
1st, 2 nd	Warning, minor infraction. Student must acquire appropriate clothing through parent delivery or Student Services back office loaner clothing*.
3rd	Minor infraction, parent contact, student must acquire appropriate clothing through parent delivery or Student Services back office loaner clothing*.
4th and beyond	Major discipline referral, consequences according to CCPS progression of discipline (including, but not limited to time-out, ISS/OSS) parent contact, student must acquire appropriate clothing through parent delivery or Student Services back office loaner clothing*.

*Loaner clothing must be returned to the Student Services back office at the end of the school day. Loaner clothing not returned will result in a \$5 charge for each article of clothing borrowed and not returned.

DRESS CODE PASSES

From time to time, a student medical condition or injury requires clothing that does not adhere to the OMS dress code. In these instances, it is the responsibility of the student to provide a doctor's note or proof of the necessity to attend school out of dress code. A medical exception must be approved, and dress code pass provided by administration in the Student Services back office.

DRESS DOWN DAYS

Throughout the year we like to reward our students for achieving excellence, demonstrating good behavior, or even collecting money for a good cause by offering a dress down day. Students are asked to bring in a \$1.00 or sometimes different items in exchange for a dress down wristband. Students will obtain their wristband in the courtyard by 9:00 AM.

Students who violate the rules, dress immodestly, or who have not obtained a wristband will be asked to change into appropriate clothing.

STUDENT FINANCIAL OBLIGATIONS

Student fines, fees and charges are tracked through Destiny. Unpaid OMS Destiny account balances at the end of the school year may prevent students from attending end-of-year activities.

EMERGENCY TELEPHONE NUMBERS ON FILE

In case of emergencies, it is required that the school have a correct home and work telephone number, email, and home address where parents can be reached during the school day. If changes are made to phone numbers, email or home address, please notify OMS immediately.

INJURY OR ILLNESS AT SCHOOL

Students who become ill or injured at school will be sent or accompanied to the clinic where every effort will be made to see that they are comfortable and appropriately treated. Students should ask to go to the clinic if they feel too ill to stay in class. Should your child be ill/injured and required to miss PE class, the following policy applies: If a student is to miss 1-2 days of P.E., a parent's note is required. If the child needs to miss P.E. for more than 2 days, a physician's note is required. Please note that students will still be expected to dress out for P.E. (within reason). Any questions contact the school nurse at 239-377-4809.

Students are NOT permitted to use a cell phone to inform parents of an illness. Office personnel will contact the student's parent/guardian if the student needs to go home or if medical attention is required.

IT IS VITALLY IMPORTANT THAT PARENTS REGISTER CURRENT PHONE NUMBERS AND EMAIL ADDRESSES WITH THE SCHOOL SO THAT WE MAY REACH YOU IN AN EMERGENCY. This includes all numbers possible, such as home, work, cellular, etc. Please keep us updated on any changes to phone number, email, or home address during the school year.

MEDICATION & SCHOOL NURSE

Staff members are not permitted to dispense medication to students. All medication, including over-the-counter medication, must be brought to the school nurse in its original unopened container by a parent/guardian. Medications must be accompanied by the appropriate medication authorization form completed by either the parent/guardian (for over-the-counter meds) or by the physician (for prescription meds). This form is available on the CCPS district website. Please remember that aspirin, ibuprofen, cough drops, cough medicine and throat lozenges are classified as medications. Students are never allowed to carry medications at school - with the exception of doctor prescribed self-carry medications, which include: epi-pens, glucagon, inhalers, and pancreatic enzymes. Proper documentation and doctor's authorization is required for all self-carry meds. All minor wounds (i.e.-scrapes and cuts) will be cleaned with soap and water. The school nurse is not permitted to put any alcohol, hydrogen peroxide, Neosporin or any other type of antiseptic on a wound. The use of crutches, a wheelchair, or other assistive devices at school requires a doctor's note. If you have any questions, please feel free to contact the school nurse at 239-377-4809

STUDENT ARRIVAL AND LATE ARRIVAL

Adult supervision on campus begins at 8:30 AM and ends at 4:00 PM. Students may be dropped off before school no earlier than 8:30 AM. Students dropped off before 8:30 AM must enroll in the OMS before school program starting at 7:30. Students must be picked up from car line by 4:00 PM. Students who are on campus before or after supervised times do so at their own risk. Once on campus, students may not leave school grounds without permission. LATE arrivals MUST report to the front office. Failure to do so may result in disciplinary action. Students dropped off prior to 8:30 am will be placed in the before school program and charged the \$2.00 drop in fee.

STUDENT BEFORE AND AFTER SCHOOL PROCEDURES

OMS provides a safe area for students to interact and socialize before school. If not eating breakfast in the cafeteria, students are to congregate before school in their designated area by grade level until the first 9:00 bell:

6th grade: Gym, seated in rows by 1st period teacher.

7th grade: Bus loop side of the courtyard or stage side of the cafeteria.

8th grade: Car loop side of the courtyard.

After the final bell, students should proceed without delay to the car loop gate (walkers, bike riders, car riders), bus loop gate (bus riders) or after-school program location. Loitering on school grounds after school is not tolerated and may result in an out of area referral.

SEVERE WEATHER RELEASE

From time to time, severe weather prevents a normal release of students after school. In such cases, bus riders will be held in the cafeteria until all buses have arrived in the bus loop and are ready to be loaded. Car riders will be released to stand under shelter along the building one overhang area while waiting for pick-up. Walkers/bikers will wait in the gym until severe weather has passed and it is safe for students to leave campus. Any student leaving campus when not following procedures will earn a discipline infraction.

STUDENT EARLY PICKUP

Should you need to pick up your student prior to the end of the school day, please send them to school with a note stating the date and time of their early release. Proper identification is always required for student pickups. If an individual is not on the student's pick up list, authorization from a parent/guardian is required. Parents, please make early release of your students an exception of necessity and do not routinely ask for your students to leave early.

Please note: We will not call into the classroom to request a student's early dismissal past 3:30 in the afternoon. Interruption to instructional time interferes with the learning process.

TELEPHONE CALLS

Oakridge Middle School limits student use of the school telephone to matters of an urgent nature. Students must fill out the telephone log sheet in the Student Services back office before using the telephone. Frequent calls home about forgotten items, missing homework, or changes in after-school plans are discouraged. OMS will be glad to deliver a message to your child in case of a change in plans or an emergency. Due to the OMS “off and away all day” cell phone policy, parents should not expect to contact their student on the student’s cell phone during the school day. Parents/guardians who need to deliver a message to students attending school should do so by calling the OMS main number. Students have access to a phone to call families in the back office, but students do need a pass

VISITORS

OMS school business hours are from 8:15 AM to 4:15 PM daily. Parents and community members are encouraged to visit our school. For the safety and security of our students and staff, all Collier County Public Schools now require secure video check-in at the front entries. Using the video check-in system, VISITORS MUST SHOW VALID PHOTO ID AND PROVIDE THEIR NAME AND NATURE OF THEIR VISIT PRIOR TO SCHOOL ENTRY. ONCE ENTRY IS GRANTED, VISITORS WILL BE ASKED TO PRESENT THEIR PHOTO ID AND SIGN IN AT THE FRONT DESK. Once signed in, visitors will receive a temporary visitor’s badge. Students are not permitted to have relatives or other non-enrolled peer guests accompany them at school. Lunchtime visits by parents are welcome (following check-in procedures). If the visit includes refreshments for more than your student, prior approval by administration is required.

ABSENCES / ABSENCE REPORTING

HOW TO REPORT A STUDENT ABSENCE

1. **Omsnotes@collierschools.com**

Use the OMSNOTES email address. Eliminates the need to leave a voice message if the phone line is busy. Please include Student Name, Student ID#, and reason for absence. CC yourself as your receipt of the email.

2. **(239) 377-4831**

Call the attendance line at the number above. You might have to leave a message due to call volume.

The classroom experience is of unique value and cannot be duplicated by make-up work. Student-teacher and student-student interaction and the development of ideas through discussion are lost when a student is absent. A student’s enrollment in a course is his or her commitment to attend all classes. Therefore, it is the intent of this policy to prevent students from being absent from class unless a situation exists which makes their absence absolutely necessary.

If a student is unable to attend school, a parent or guardian is asked to call the attendance desk to report the absence by 9:45 AM. The telephone number to report absences is 377-4831. A parent phone call will “validate” a student’s absence (A), but a dated medical or dental note from a physician’s office should be provided in order for the absence to be entered as “excused” (E). Excused absences are: an illness documented by a doctor’s note or a documented medical or dental appointment, observance of an established religious holiday or pre-arranged religious instruction (documentation of the religious affiliation of the student may be required by school officials), a required court appearance, out of school suspension, or placement in detention at a juvenile center in which the student continues his or her education. Validated absences include: brief illnesses, non-medical appointments, and family business (vacations, weddings, funerals, etc.); all of which should be documented with a phone call or written note from a parent or guardian. Examples of unexcused absences (U) include, but are not limited to: absences with no parent communication, truancy, class cuts, and class tardies of ten minutes or more. Whenever possible, a parent or guardian should give advance notification of an upcoming absence. Planned absences should be submitted in writing to administration for approval at least 48 hours prior to the absence. Excessive unexcused absences may result in credit denial or referral to truancy court. For more information regarding student attendance, please see the District School Board Code of Student Conduct. (Available in English, Spanish, & Creole).

MIDDLE SCHOOL SPORTS

The philosophy of our athletic program is to encourage all interested students to participate.

Emphasis is placed on the teaching of the skills, strategies, and rules associated with the sport, and educating student athletes on the concept of fair play, cooperation, and teamwork. The first component of the middle school sports program is the intramural, where skill development and rules of the sport are taught. The second component of the athletic program is interscholastic, where participating schools compete against one another.

Students who are selected to represent Oakridge Middle School for the interscholastic team will need to provide four items: proof of insurance, a consent and release form, an emergency medical treatment form, and a pre-participation physical. All necessary forms and information is available on the school website (www.collierschools.com).

OMS COUNSELING DEPARTMENT

School counselors are here to be of service to students and parents. They are glad to help with academic, personal, or social concerns. The counseling department's main goal is to support students, parents, and teachers to ensure student success here at Oakridge Middle School. Counselors:

Counselors:	Student Last Name	Email
Mrs. Britton	A – C	239-377-4800 brittm@collierschools.com
Mrs. Clark	D-Me	239-377-4817 clarkba@collierschools.com
Mrs. Bergsma	Mi – Z	239-377-4816 bergsma@collierschools.com

- Assist students in reaching their highest academic potential.
- Provide a variety of services for students utilizing parents, staff, and community resources.
- Serve as an on-staff resource with expertise in pupil services.
- Provide orientation for all students for the middle school program, curriculum, and course selections.
- Coordinate and implement, with the administration, midterm and final exams, and the FSA and EOC testing programs. Disseminate test results and assist with interpretation and grade calculations.
- Provide academic support services in the areas of organizational skills, study skills, goal setting and test-taking skills.
- Coordinate career education.
- Facilitate parent-teacher conferences and participate in teacher team meetings.

School counselors welcome students who seek services on their own, as well as, students who are referred by teachers, parents and administrators. Students requesting to meet with a counselor should come to the front office. Parents are welcome to request a meeting with their child's counselor (call or email your child's school counselor at any time). Email or phone contact is required for scheduling a parent teacher conference. Parents interested in arranging a conference with a teacher, or group of teachers, should call the counseling office at 377-4800. Conferences will be scheduled for 8:30 AM.

EXCEPTIONAL STUDENT EDUCATION

Based on individual learning needs, OMS offers programs for students who meet eligibility requirements. The E.S.E. Department is comprised of staff members who are specially trained to address the specific needs of eligible students.

For information on these support services, please contact the E.S.E. Program Specialist, Suzanne Trapani at 377-4811.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORT (PBIS)

As a school, OMS has high expectations for every student (respectful, responsible, prepared). With Positive Behavior Interventions and Support (PBIS), we as a school community are able to encourage our students to adhere to school-wide behavior expectations. OMS administration, faculty, and staff make every effort to show our students how much we appreciate their efforts to maintain a good attitude, to arrive at school ready to work hard, and to contribute to their success and the success of their classmates. At OMS, students are reminded to follow the “Golden Rule”: Treat others the way you would like to be treated. In addition, the OMS school-wide expectations are:

**BULLDOGS ARE:
RESPECTFUL - RESPONSIBLE - PREPARED
BULLDOGS:**

Treat Others the Way You Want to Be Treated!

We encourage our students to exhibit positive behaviors by giving out “Bulldog Bucks” and “Positive Referral Certificates”.

FIELD TRIPS

Field trips may be scheduled throughout the school year. When a field trip or out-of-classroom activity is planned, all students are expected to be on their best behavior and follow school expectations and CCPS Code of Conduct. Certain trips or activities may require student dress to be different than customary standardized dress written in the OMS dress code. Parents and guardians will be notified of any special dress requirements. Zero-tolerance offense may result in non-attendance of field trips for the balance of the school year after the violation.

NATIONAL JUNIOR HONOR SOCIETY

Membership in the National Junior Honor Society is based upon a student’s outstanding performance in five categories: scholarship, service, leadership, character, and citizenship. To be considered for membership in the Oakridge Middle School Chapter of NJHS, a student must have completed a minimum of three semesters of middle school coursework and have a cumulative grade point average of 3.8 (or higher) on a 4.0 scale. Students are then eligible for consideration and are formally invited by the society’s advisor to provide further information to prove they have performed activities in the five categories. A faculty council then makes a determination for student membership into the society.

PTO - PARENT TEACHER ORGANIZATION

The participation of parents, staff and other members of the community is vital to the success of Oakridge Middle School. PTO is a nonprofit educational organization that seeks to unite the forces of home, school and community on behalf of the students of OMS. The PTO plays a fundamental role in funding and facilitating numerous social and educational activities for OMS students and staff. At Oakridge Middle School, everyone is encouraged to join PTO and to attend meetings. By joining and volunteering, parents, staff and community show their support for their school and their children. Interested in all helping PTO? Sign up to receive newsletters and volunteer on the PTO website. Just type in the following link at see all the events and activities the PTO has planned and how you can help.

SAC – SCHOOL ADVISORY COUNCIL

The process of school improvement is a collaborative effort between administration, staff, parents, and community members at OMS. Our School Advisory Council (SAC) meets monthly to discuss, evaluate, and set school improvement objectives that will assist OMS students to reach their greatest potential. An important goal of the SAC team is improved communication and involvement between home and school. Increased communication and involvement benefits all students and staff and the community as a whole. Parents are a vital part of the SAC team and are strongly encouraged to attend and participate in all SAC meetings. Information regarding SAC membership will be communicated and meeting dates are highlighted on the OMS website (<http://www.collierschools.com/OMS>).

MEDIA CENTER

The media center is open from 8:40 a.m. to 3:50 p.m. Students may use the library before school and during the school day with a student planner pass from a classroom teacher. A limited number of media center passes are also available during lunch (no food is allowed in the media center).

Books: Students may borrow materials for a period of ten school days. Materials may be renewed unless requested by another person or if the student has overdue books or outstanding fines.

If a student loses a book belonging to the OMS media center, he/she will be responsible for the replacement cost of that book. Overdue and fine notices are distributed monthly. All obligations should be cleared as soon as possible. A student with a library obligation may not check out any more materials. Parents need to be aware that fines remain on your student's account throughout their years in Collier County Public Schools and must be paid before graduation.

VOLUNTEERING

Do you want the best middle school experience for your child, help by volunteering! Whether you assist with our dances/bashes, concerts or year-end events like our awards night Your efforts will make the events memorable. We always need volunteers, call the school or PTO today to see how you can help improve our school. We are sure we can find an event that suits your talents.

LOST BOOKS, EQUIPMENT, MEDIA FINES

Students are responsible for all textbooks furnished by Collier County Public Schools. Teachers will issue these texts for each subject and students must take good care of them. All textbooks, laptops, media center books, school-owned instruments, equipment and supplies issued to students must be returned. If any of the above are lost or damaged, a fee will be charged and monies collected before a new item is issued. The fee will be refunded if the lost item is found. Any CCPS equipment, books or other materials that are not properly returned may result in loss of participation in field trips/reward activities. Unpaid fees/fines remain on the student's record until paid.

CAFETERIA RULES

The OMS cafeteria is a place for students to gather for food and social interaction in the middle of the school day. Students are expected to conduct themselves in a responsible, dignified manner and follow commonly practiced manners while eating and interacting with one another in the cafeteria. Upon entering the cafeteria, students should thoughtfully find a seat where they are willing to remain for the entire lunch period. Changing seats during lunch is not permitted. Cafeteria expectations are as follows:

- Follow directions and listen to the person speaking on the microphone and all staff supervising the cafeteria.
- Wait for your table number to be called before entering your assigned lunch line.
- No running, keep the cafeteria lines orderly: single file, no cutting.
- Speak at a normal conversational volume.
- Keep food, trash, and wastepaper on your tray.
- Throwing food or objects will result in automatic lunch detention and/or ISS.
- Clean up any food that is dropped or spilled; keep tables, benches, and floors clean.
- Empty all debris, waste and trays into the trash bins located throughout the cafeteria.
- Finish all food before exiting the cafeteria. There is no food or drink permitted outside the cafeteria.
- Wait for your table number to be called before exiting the cafeteria.
- Any cafeteria rule violation may result in student placement in an alternate eating area or further disciplinary consequences.
- Students are not permitted to leave the cafeteria without permission. You must obtain a pass to leave the cafeteria.

BEHAVIOR MANAGEMENT & BULLDOG TRACK CARD

OMS uses a Track Card (included in this planner) to help you monitor your behavior. The Track Card must be signed by your parent every interim and marking period. You will receive a Bulldog “track” card included in the student planner with the purpose of keeping track of your general classroom behavior and minor infractions. If you are disruptive, insubordinate, or do not follow expectations in the classroom or elsewhere on campus, an infraction may be issued and a track card signing may be given if the act is considered minor in nature as determined by the issuing teacher or staff member. Repeated infractions may result in a major office referral, including but not limited to, in-school suspension (ISS) and/or out-of-school suspension (OSS) consequences (after the 3rd infraction/track card signing in a particular category).

Track card classroom infraction categories are as follows: Disruption, failure to follow procedures/reasonable request, and insubordination/disobedience. Your parents are asked to review your track card on a weekly basis and to encourage you to be mindful of the OMS classroom and campus expectations.

Consequences for infractions/track card signings are as follows:

1st signing	2nd signing
Warning & opportunity to change the behavior & possible consequences in accordance with the CCPS progressive discipline plan.	Warning & opportunity to change the behavior & possible consequences in accordance with the CCPS progressive discipline plan.
3rd signing	4th signing or more
Parent contact from teacher, warning & opportunity to change the behavior & possible consequences in accordance with the CCPS progressive discipline plan.	Administrative major discipline referral & consequences (including, but not limited to time-out, ISS/OSS) according to the CCPS progressive discipline plan.

DISCIPLINARY CONSEQUENCES

Improper student behavior will be considered that which interferes with the learning environment, safety of others, or the orderly functioning of the classroom and school. Improper behavior will be corrected in a positive, consistent, and fair manner. Additionally, the Principal has the authority to take administrative action when a student's misconduct away from school is having, or could have, a detrimental effect on the other students or on the orderly educational process. School personnel will make a good faith effort to contact parents during school hours, including email contact, regarding consequences; however, it is also the student's responsibility to inform his/her parent of such information. Electronic video security equipment is located throughout OMS and may be used as a tool for investigating campus incidents. The following consequences are a general list of discipline measures implemented in addressing improper student behavior:

FINAL DECISIONS ARE MADE BY AN ADMINISTRATOR

Verbal Warning

Referral to Administration

Referral to Guidance Department

Lunch Detention (LD)

Time-out

Emergency Removal

In-School Suspension (ISS)

Out of School Suspension (OSS)

Student Behavioral Contract

Bullying Warning/Agreement

Teacher-Parent-Administrator conference

Recommendation for Alternative Education Placement

Expulsion according to Florida Law

BEHAVIOR CONTRACT

If a student has repeatedly violated school rules and received multiple major discipline referrals, he or she may be placed on a behavior contract. This step is intended to help students hold themselves accountable for future behavior and will be initiated by a school administrator. Once placed on the contract, subsequent referrals will be handled according to the guidance provided in the contract, at the discretion of the administrator.

ISS = IN-SCHOOL SUSPENSION

Students may be assigned to the ISS room for a particular period of the school day (time-out), or for the entire school day. During a full day of ISS, students will remain in the ISS room and will not attend any classes or activities. Students in ISS are required to do all schoolwork assigned for the day. Students will perform work provided by his or her teacher or remedial work provided by the ISS attendant. The ISS room has very strict rules and violation of ISS room rules may result in additional ISS consequences or OSS. ISS reporting time is PRIOR to the second morning bell with ALL MATERIALS. Students assigned to ISS may be asked to perform duties as part of school and community service. Food and drink are prohibited in the ISS room. All students in ISS may purchase a standard lunch through the cafeteria or bring a packed lunch.

OSS = OUT-OF-SCHOOL SUSPENSION

A student assigned Out-of-School Suspension (OSS) is not permitted on any CCPS school property during the period of suspension, which can run from one to ten days. No OMS classes or activities may be attended during this period. A suspended student may not represent the school in any way or under any circumstances. Any suspended student on a CCPS campus while on OSS may be subject to legal action (Florida Statute 232.26). Parents will be notified of out-of-school suspension by a phone call and/or a letter via email. During OSS, a student's absence to class is considered excused and they will have the opportunity to turn in work that was missed, as if it were a validated absence. After OSS, it is the student's responsibility to turn in work that was missed. Students serving OSS will be allowed one additional day to make up missed work assignments for each day of OSS. Students should use their laptop to communicate with teachers with regards to work to be completed while serving OSS.

ALTERNATIVE PLACEMENT

The principal or designee may recommend to the Superintendent the alternative placement of any student who has committed a pattern of major breaches of conduct, or a single serious breach of conduct, including, but not limited to: willful disobedience, open defiance of authority of a member of the staff, violence against persons or property, or any other act which substantially disrupts the orderly conduct of the school, including threats to cause serious bodily harm or physical damage. Such breaches of conduct will result in an Administrative Hearing, the purpose of which is to discuss the future of the student's placement at OMS. An administrative review is attended by school administrators, OMS YRD, the student and the student's parents and/or representatives.

YOUTH RELATIONS DEPUTY (YRD)

A Collier County Sheriff's Deputy is assigned to Oakridge Middle School to help provide a safe environment, to create an awareness of some of the functions of our legal system and to develop relationships with students. Deputy Steve Walden is assigned to OMS. He strives to support the educational objectives at OMS, educate students to obey laws and prevent juvenile delinquency. Deputy Walden keeps office hours during each school day and is available to hear all student concerns.

WITHDRAWAL

To withdraw from school, the student must report to the Guidance Office with his/her parent stating the student withdrawal date and where the student is moving. At the start of his/her last day of school, the student is to report to the Guidance Office with all textbooks and library books where he/she will receive a withdrawal form to take to the new school. All library fines and cafeteria monies owed must be paid by the student's last day. If you are withdrawing from Collier County Public schools, you must return your laptop before leaving. Failure to return all Collier County property may delay the release of records.

AWARDS RECOGNITION

Oakridge Middle School conducts academic award ceremonies at the end of the school year to celebrate student achievement. Upon invitation, students and families should make every effort to attend these ceremonies to celebrate their students. Collier County Public Schools does not recognize eighth grade as a graduation, but student academic and citizenship accomplishments are recognized.

QUARTERLY RECOGNITION

In quarters 1-3, students with a 3.75 GPA or higher in core classes, will earn academic recognition. Students will earn the ability to access the lunch line at the beginning of lunch prior to other students and the ability to eat lunch outside with their friends.

GRADING

FULL YEAR GRADE CALCULATION

Grading Period Weighting

Generally, a student's final grade is comprised of six reported grades—the first grading period (GP), the second GP, the midterm exam, the third GP, the fourth GP, and the final exam. As students transition from elementary to middle school, and then prepare for the transition from middle to high school, the weighting of these reporting areas increases. Furthermore, high school courses carry a greater minimum passing threshold than do middle school courses. Middle school students taking high school courses must familiarize themselves with middle school grade reporting and the increased expectations that are part of high school credit options.

The following table summarizes the percentages for each reporting area in sixth, seventh, and eighth grades:

Grade Level	Grading Period 1	Grading Period 2	Mid-term	Grading Period 3	Grading Period 4	Final
6th (Core)	22.5%	22.5%	5%	22.5%	22.5%	5%
7th, 8th, and Electives	20%	20%	10%	20%	20%	10%
Courses with State EOC	15%	15%	10%	15%	15%	30%
