February 2026

From the desk of Mrs. Coschigano

Happy February! This short month is filled with groundhog predictions, valentines, and presidential birthdays! I'm excited for 5th and 6th grade to start playing the Stock Market Game. 4th grade is working hard on creating problem-solving inventions. Also, 2nd and 3rd grades will hone their research skills on a variety of topics. Here's to a fun-filled month!
