Howard Barber, CPA, SFO, MCPPO
Assistant Superintendent of Finance & Operations

Jaime L. Curley, Ed.D.
Assistant Superintendent of Student Services

February 9, 2026

Dear Families:

Every year, each public school and school district in Massachusetts receives a report card. Just as your child's report card shows how they are doing in different subjects, the school's report card is designed to show families how our school is doing in different areas. A link to our school's report card is available here: Old Hammondtown School.

The report card includes multiple measures of a school's performance – more than just MCAS scores. It represents a new way of looking at school performance, by providing information on student achievement, teacher qualifications, student learning opportunities, and more.

Report cards are designed to be useful tools for everyone connected to our school. Families can use the information to have meaningful conversations with us about what the school is doing well and where there is room for improvement. Community and education leaders can use the information to better understand how to support students and our school.

We work to continuously improve student performance in our school. We continue to monitor students' progress and achievement through student work samples, classroom performance and a variety of assessment strategies. We encourage you to become involved in helping us improve our school. We see parents as critical partners in the success of our students and school, and we are grateful for your continued support.

Finally, if your child attends a school that receives federal Title I funds, you also have the right to request the following information about the qualifications of your child's classroom teachers:

- Whether your child's teacher is licensed in the grade levels and subject areas they teach,
- Whether your child's teacher is teaching under an emergency license or waiver,
- The college degree and major of your child's teacher, and
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you have questions about our school's report card, would like to become involved in school improvement activities, or would like to request information about the qualifications of your child's classroom teacher, please contact Principal Stephanie Wells at stephaniewells@oldrochester.org. To see our district's report card or to search for other schools' report cards, visit School and District Report Cards.

Sincerely,

Shari Fedorowicz

Shari Fedorowicz, Ph.D.
Assistant Superintendent of Teaching and Learning

The mission of our school system is to inspire all students to think, to learn and to care. The Old Rochester Regional School District does not discriminate on the basis of race, color, national origin, age, sex, religion, gender identity, sexual orientation, homelessness or disability in admission to, access to, treatment in or employment in its programs and activities.
