Voters of Brunswick County

Dear Brunswick County Residents,

As President of the Board of Directors for FOCUS Broadband, I am proud to express our company's support for the Brunswick County Schools Bond Referendum scheduled for the November 2026 ballot.

This \$349 million investment will fund key projects to meet the needs of our rapidly growing community and ensure a high-quality education for more than 13,000 students. These projects include a new elementary school and a new high school in the North Region, land purchases, the Governors Road extension, and essential upgrades to existing facilities such as intercom replacements, indoor bleachers, multipurpose turf fields, softball fieldhouses, and future site developments.

By approving this referendum, we will build a brighter future for all children in our communities, support local economic growth, and strengthen the foundation of our county. I urge all eligible voters to join us in voting for this important measure.

Sincerely,

Whitney E. King
Board of Directors President
