

## Argos Community Schools Synchronous E-Learning Plan

### Instructions:

- Students access Google Meet through the link provided by their teacher. Google Meet Links can be found on specific classroom Canvas pages, or through other classroom sites that have been provided by the teacher. Elementary students can also find a link on our e-learning page on the school website.
  - If you are trying to access Google Meet on a device not issued by the school, students will need to login to their school google account in order to access and participate in the school Google Meet.
- Teachers provide direct instruction for at least 50% of each class period. The rest of the time they are available to help students with questions and classwork.
- If you are not able to access live instruction on our synchronous learning day, please contact your teacher and alternate arrangements can be made.
