

Avail Business Partners DIRECTORY

A Note from Mission Advancement

Our Avail Business Partners are local businesses you'll want to know. They are investing their time, resources, and energy to support our school and connect with our community.

Each one brings something unique—whether it's expertise, services, or opportunities—and this directory makes it easy to see how they might serve you, your family, or even your own business.

We encourage you to share this with friends, family, and colleagues so more people can discover these resources. Together, we can build a stronger community.

With thanks,

Ross Douma,
President

Jeni Kuhfuss,
Mission Advancement Officer

Kevin Distad,
Director of Mission Advancement

Jessica Evanson,
