At SEDOL, we strive to ensure our families and students will be prepared for their future. The Arc of Illinois provides advocacy and education in regards to services for those with disabilities in Illinois.

SEDOL is proud to host The Arc of Illinois for a Listening Session on February 19, 2026 @ 6:30 PM.

We are grateful that The Arc of Illinois is specifically seeking out our voices to help shape the future for our students and families. We are looking forward to hearing your stories, ideas and learning from one another. This is open to any SEDOL family, including families within a SEDOL member district. SEDOL staff are also invited to attend.

Registration is required
