Food Service Newsletter

February 2026

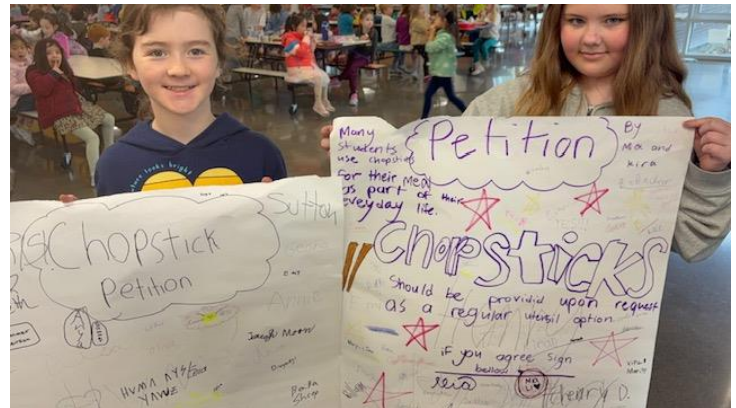

Student Voice

We are excited to introduce items our students are requesting! First up is the Almond and Soy Milk now available for purchase in the Snack Bar at IMS. The first 3 cases were gone week 1 so we have purchased more to keep up with demand!

Northwood Students gathered signatures on a petition to bring in chopsticks for lunch. Our answer? Absolutely! Chopsticks are available upon request at each lunch.

The Krispy Kreme donuts during Finals week at MIHS were well received, so they will make Another appearance next month.

We are celebrating the Seahawks with Hawks Milkshakes, Seahawks Italian Sodas and Seahawks Musubi at the High School. Seahawks cookies will be served on Friday for all students buying lunch K-8.

Next week we have lots of Valentines Fun coming with Strawberry Shortcake Ice Cream Bars, Cheesecake, Red Velvet Cookies, Strawberry Shortcake and Chocolate Dipped Strawberries.

Respectfully,
Rachael Mathews
