

*We believe this policy enhances our school culture and shared values of learning and growing by providing greater focus and fostering even more meaningful interactions throughout the school day.*

### Cell Phone and Wearable Technology Policy

- **Grades K–5:**  
Students are **not** permitted to have cell phones or wearable technology at school.
- **Grades 6–8:**  
Students are required to **store their phones each morning** in a designated location in their advisory classroom before first period. Students may pick them up at the end of the school day. Wearable technology must remain powered off and **stored in bags** during this time.
- **Grades 9–12:**  
Students are required to **store their phones each morning** in a designated location in their advisory classroom before first period. Students may pick them up at the end of the school day. Wearable technology must remain powered off and **stored in bags** during this time.
- **Medical Accommodations:**  
Students with documented medical needs will receive appropriate accommodations as needed.

### How Families Can Support This Policy

- **Modeling Expectations:**  
Please avoid texting your children during the school day. If you need to get them an urgent message, please call or email the front desk, and we will make sure your child receives the message.
- **Enforcement:**  
If a student is found using a device without permission, a teacher will **take the device** and notify the appropriate administrator.
