

EAGLE NEWS

Anderson Island Elementary

January 30, 2026

Good afternoon Eagle Families,

We had another great week here at Anderson Island Elementary, and our students continue to work hard and show what it means to be Anchored in Excellence.

Next week is shaping up to be both fun and busy. Our Read-A-Thon kicks off on February 1, and we are excited to see our Eagles put all that practice to good use. Reading every Day truly makes a difference, and this is a great opportunity for our students to build strong reading habits. We also have our Sodexo Kitchen Academy coming up next Wednesday. Students will have the chance to learn some culinary skills and have fun working together to make a delicious dish.

To wrap up the week, the American Legion will visit on Friday to celebrate our 100th Day of school and encourage their physical health and their participation in Fitness Club, our morning walking program. We are grateful for their continued support of our students.

As we head into the weekend, I hope you get some good rest, spend time together, and, of course, keep reading. We look forward to another exciting week ahead.

See you all next week.

Notes from the Classroom

Mrs. Cunningham

Goodbye January! We are officially halfway through the school year, and next week we plan to celebrate the 100th Day of School on Feb. 6. All diagnostic testing is complete, and I could not be more impressed with everyone's academic growth in Reading and Math! These kids ROCK! Mrs. Friend and I met with the district I-Ready representative, who told us that our school's data was very impressive! Let's keep it going:) With the start of the 2nd semester, we began a new afternoon rotation schedule, and so far, so good. Our number one goal is always to make the best use of our time and ensure the success of all students. I definitely think we are on track.

Report cards for Kindergarten-3rd grade will be available in Skyward next week. Please keep in mind that these report cards reflect the standards taught and assessed in semester one. Standards that will be taught and assessed in semester 2 are marked with "N/E" (not evaluated) and will be reported in the semester 2 report card. TK students will receive a WaKids written progress report. Please call, email, or use ParentSquare with any questions or concerns.
