Notes

Revenues

Property Taxes Line 1.01 & 1.02- Property Tax are completed for the August settlement, we end $329,952 (-5.2%) under budget. The March settlement could easily correct the budget however, we know the legislation is attacking this revenue source. We are budgeted with no major change including the significant increase in assessed value for the January 2026 updated values. Current estimates have a 32% increase in assessed values with NELSD at the 20 mil floor which equals $18.4 million, our forecasted amount in FY26 was $15.8 million (plus 2.6 million less any Rollback and Homestead Adjustments). The impact of HB186 and HB335 is still not completely on solid ground.

Income Tax Line 1.03 is .9% ($45,093) over budget for the fiscal year. We have budgeted a 3% increase for the fiscal year.

State Foundation is currently $98,940 (1.3%) under budget. We have started to use the FY25-26 enrollment numbers, we have dropped 153 students. Two negatives on the restricted foundation is the Student Wellness and Success dropped because the number of Economically Disadvantage has dropped 104 students ($56,809) and the Gifted Funding is down $23,607.

Property Tax Allocation – Rollback and Homestead are 8.4% ($70,833) over the budgeted amount. Again, the March 2026 Settlement and the state legislation will impact this budget.

Miscellaneous Revenues Line 1.06 year to date reflect $399,998 (27.7) under budget, tuition payments are below budget, we are watching for the Excess Cost and Threshold. We received $392,000 in FY25. Fees are $49,960 under budget fiscal year to date compared last year. Interest Income is running slightly $55,625 over budget after a week January. Interest Income will become more difficult to maintain as rates are dropping and we have $4,409,000 less invested from dropping fund balances.

Total Revenues are $713,567 (3.4%) under budget.

Expenditures

Wages and Benefits are currently (.012%) $2,065 under budget.

Purchased Services (11.2%) $265,737 is significantly over budget and we will watch as we progress through the fiscal year. Utilities (Electric, Natural Gas, and Water/Sewer) are running $253,700 high than FY2025.

Supplies changed to 1.3% ($13,136) under budget, over we will be faced with the FY26-27 chrome book purchase in the late Spring.

Total Expenditures are $223,918 (1%) over budget.

Monthly Investment Report Disclosures:

This report is provided by RedTree Investment Group, a Registered Investment Adviser with the SEC, solely for informational purposes and is intended for use by the account holder(s) listed.

The valuations and performance shown in this report may differ from those provided by the custodian due to differences in pricing sources, the timing of data reconciliation, and the treatment of accruals or cash flows. We encourage you to compare this report with your custodial statement.

Advisory fees are charged based on the terms outlined in your Investment Advisory Agreement. Fees may be calculated as a percentage of assets under management and may be deducted directly from your account(s) at the custodian. Please refer to your agreement and your custodial statements for fee details.

This report may include hypothetical assumptions or forward-looking illustrations regarding the income, yield, or future value of fixed income securities currently held in your portfolio. These projections are for illustrative purposes only and should not be interpreted as guarantees or predictions of actual results.

Fixed income securities, including corporate, municipal, and other debt instruments, are subject to the risk that the issuer may default on interest or principal payments. In such cases, the bondholder may lose some or all of their invested principal. Hypothetical models typically assume full and timely payment of all interest and principal, which may not reflect actual outcomes in the event of issuer distress or default.
