## Dry Wall & Support Phase

January marked an important stage in our "Built Different" journey as we entered the Drywall & Support Phase. Just as drywall strengthens a structure and gives it shape, this month focused on how we support one another and build strength within our community.

A highlight of the month was the installation of our ASC Rock Wall, where students and staff were invited to write ways they saw others offering support. From encouragement and kindness to academic help and prayer, the wall quickly became a powerful visual reminder that none of us stands alone—we are building this foundation together.

In addition to fostering support within the ASC, we demonstrated school spirit by hosting two Spirit Nights to support all our soccer and basketball teams.

## Soccer Spirit Night

At the girls and boys soccer games, we passed out glow sticks and slushies and hosted a fun halftime game to energize the crowd.
