Attestation of Training Completion

This Attestation has been created to confirm the Team Manager has received the training needed to remain compliant with the Saints Sports Booster Club Inc. (SSBC), and our governing body, Parent Booster USA (PBUSA). These documents pertain to SSBC-related regulations, as well as NYS Attorney General Compliance-related, financial, and tax regulations as a non-profit charitable corporation.

- ☐ The SSBC recommends ongoing review of the policies not only for a clear understanding of the SSBC but as training for new/updated policies that will be implemented, after every month's SSBC board meeting. As you have completed reading and understanding the named document, please check the box next to each item. This training will help protect you as the Team Manager.

Training documents to be read:

- ☐ Constitution and Bylaws
- ☐ Team Manager Checklist
- ☐ Membership Form
- ☐ SSBC Policies (Internal Operations, Financial, and Fundraising)
- ☐ Team Manager Understanding of Camp Attendance
- ☐ Fundraising/Team Camp = two Team Manager Sign-Off Sheets.

I attest that I have completed reading the training documents listed and have uploaded all Team Manager sign-off documents to my team's google docs team Manager folder, and shared the folder with the SSBC President
