

FOCUSED FLEXIBLE FORWARD TOGETHER
ACA's #GRIFFINTRIBE ONLINE AUCTION 2026
APRIL 17 - 27

Bid Together, Build Together

Focused. Flexible. Forward. — Supporting Academic Excellence at Arlington Classics Academy

Arlington Classics Academy (ACA) was founded by visionary parents who believed in creating a safe, enriching learning environment built on a strong partnership between families, teachers, and students. That shared commitment continues to guide us today as we remain focused on academic excellence, flexible in meeting student needs, and forward-thinking in preparing tomorrow's leaders.

ACA's rigorous curriculum and high standards provide a challenging, personalized educational experience for more than 1,500 students in grades K–8. Our program blends the proven strengths of a classical education with modern instructional practices, including music, art, and Spanish beginning in kindergarten. Students develop critical thinking skills that prepare them for high school, college, and future careers.

As a tuition-free, open-enrollment public charter school, ACA consistently earns the highest accountability ratings from the Texas Education Agency and top fiscal responsibility scores through the Financial Integrity Rating System of Texas.

Despite this success, ACA receives on average \$1,600 less per student than traditional public schools. With enrollment exceeding 1,500 students, this funding gap directly impacts our ability to maintain the exceptional programs and high expectations our families value. Each day, our teachers, staff, and Board of Directors remain focused on excellence, flexible in innovation, and forward-looking in expanding opportunities for our students.

Your generous donation and community support enhances academic programs, enriches the arts, expands technology, and creates meaningful experiences that directly advance ACA's mission of providing a high-quality education that prepares students to become confident leaders and lifelong learners. Arlington Classics Academy is a 501(c)(3) nonprofit organization, and all contributions are tax-deductible to the extent allowed by law (Tax ID: 75-2734435).

Let's bid together and build together, focused on excellence, flexible in growth, and moving forward. Thank you for investing in our students' futures and for being part of our remarkable journey.

Sincerely,

Mia Russo
