

William Land now has a Track Team!

Only Elementary School in the region with a USA Track and Field Youth club

To join, go to usatf.org and select membership. It is on the top of the home home page. After that, select youth membership (Cost \$38.88 but valid until January 1st, 2027). When you get to club affiliation, enter the zipcode first, which is 95818, then search William Land Elementary when selecting club. Do not search for William Land first. Enter the zipcode first. They do this to make sure you are searching in our area. If you still cannot find our school, join as an unaffiliated, then email the membership number so I can manually add them to the team

Must have USATF membership to participate in Track.

Who can join? Any student 1st-6th grade

Events: Sprints (100 meters, 200 meters), Middle Distance (400 meters, 800 meters), Distance (1600 meters), relay races, no field events as of right now.

Practice Tuesday, Wednesday, Thursday before school on campus from 8:00-8:30

Track Meet Locations and Schedule: Saturdays and mostly in Sacramento. There are a few meets in Stockton. Still waiting for more USATF Meets to be announced. Season is now until June.

Equipment needed: workout clothes, running shoes, water bottle, Spikes for meets are optional but highly recommended. Can help select what spikes to buy.
