Lagway Families,

I want to make you aware of an incident that occurred on campus today just before dismissal. A fourth-grade student made a statement in class indicating he had a bomb. The statement was quickly determined to be false, as there was no device. The matter is being addressed in accordance with the Student Handbook.

We ask that you please take time to speak with your children about the seriousness and impact of their words. Statements like this, whether meant as a joke or not, can cause fear, disrupt learning, and must always be taken seriously.

The safety of our students and staff is always our highest priority. We appreciate your partnership and support.

Sincerely,

Mrs. Wilder
