

Booker T. Washington Student Parent Compact

STUDENTS

STUDENTS are resilient, diverse and are empowered to succeed and become change-makers

PARENTS

PARENTS, FAMILIES, and COMMUNITY value communication and are active advocates for our students, district, and community.

TEACHERS AND STAFF

TEACHERS and STAFF MEMBERS are committed to intentional, student-centered growth through positive relationships with students and families to strengthen academic confidence and inspire an ongoing desire to learn

PRINCIPALS

CAMPUS ADMINISTRATORS are motivational leaders who embody strong character, foster a positive and safe environment, and prioritize high expectations for students.

THE STUDENT SUCCESS COMPACT IS...

Jointly designed to serve as a tool by which the school, parents, and students will develop and build a partnership to help children achieve the district's high content and State's performance standards. Communication will be ongoing, two-way, meaningful and in an understandable format according to EISD's translation policy.

As a parent/guardian, I will promote my child's success in school by:

- Seeing that my child is well rested, nourished, and dressed appropriately for school
- Sending my child to school on time and ready to foster positive connections with others
- Encouraging my child in good behavior and their Capturing Kids Hearts social contract
- Establish a regular time for homework and review it regularly
- Communicating with my child and with my child's teacher about school
- Having high expectations for my child
- Connecting my child to extra-curricular activities
- Attending school functions and parent-teacher conferences
- Looking for volunteer activities and opportunities for decision-making

To be a successful student, I will:

- Attend school regularly and be on time
- Complete assignments and turn them in on time
- Be on time for each class period
- Be responsible for my Capturing Kids Hearts Social Contract
- Pay attention in class, ask for help when needed, and build positive connections with others
- Be respectful of myself, others, and school property
- Have materials and supplies at school every day

As a teacher, I will encourage and support student's learning by:

- Honoring student learning that is relevant and in line with future hopes and dreams
- Having high expectations of myself, students, and other staff
- Providing a safe, supportive, effective, and positive environment for learning
- Co-creating Capturing Kids Hearts social contracts with students, share with parents
- Communicating regularly and providing parents with regular progress reports
- Providing high quality curriculum that enables children to meet the State's academic standards

As a principal, I will promote this student success compact by:

- Providing opportunities for parental involvement in their child's education
- Promoting a safe, supportive, effective, and positive learning environment
- Providing and encouraging meaningful communication and support among teachers, parents, students and administration
- Providing quality curriculum and instructional practices that enables children to meet the State's academic standards
