COLLEGE & CAREER CENTER

2.6.26

Redmond High School's College & Career Center is dedicated to preparing and supporting students for their next steps- whether that be college, technical programs, or entering the workforce. Find useful college and career planning information and resources on the CCC Website: College & Career - Redmond High School

Need more help or guidance, email Ms. Wu at rwu@lwsd.org or schedule a meeting with her HERE!

Upcoming February Events in the CCC

Please check the CCC Website for more events including details and updates.

February 9, 11:30 AM – 1 PM Community and Technical College Day

Plan your next step! 🎓 Meet local college reps, explore career training, and learn about transfer pathways—all in one place. From skilled trades to tech, find the path that's right for you and start shaping your future today. Reps from the following colleges will be here:

- Bellevue Colleges
- Lake Washington Institute of Technology (LWTech)
- Cascadia College
- Shoreline Community College

February 10, 11:05 AM – 11:35 AM WANIC Student Panel

Are you thinking about future career options and wondering if WANIC might be right for you? Join this session to hear directly from current full-year WANIC students as they share their experiences and provide insight into the programs.

Student speakers will represent programs such as:
• Aviation Technology
• Dental Careers
• Medical Careers

This session will take place during 1st Lunch and does not require sign-up. Students with 2nd Lunch who would like to attend may request a pass by emailing Mrs. Wu at rwu@lwsd.org. More information is available under the CCC Events Calendar on the CCC website.

February 18, 1:00 PM – 1:30 PM ICW Rep Visit & Scholarship Information

Here's an opportunity for students to connect with the ICW rep and learn more about the Independent Colleges of Washington and the Garrett J. Goodchild Scholarship.

As a memorial to Garrett J. Goodchild, who passed away in 1996 prior to his senior year at Eastlake High School in Redmond, Washington, family and friends established the Garrett J. Goodchild Achievement Award to assist students from Eastlake, Lake Washington, or Redmond High School in attending one of the Independent Colleges of Washington (ICW). Each recipient has embodied the qualities Garrett's loved ones hoped to see in young people pursuing a college degree, demonstrating academic achievement (minimum GPA of 3.0), school leadership, community involvement, and financial need. The ICW Scholarship Selection Committee reviews applications, and students may apply before finalizing their college choice, provided they have applied to at least one eligible institution. Only full-time freshmen enrolling at an ICW college are considered, with scholarship funds paid directly to the school and applied toward tuition and academic charges. Recipients may share their collegiate experiences with donors, and the award is renewable for up to three additional years if the student maintains full-time status and a cumulative GPA of 3.0.

ICW Member Campuses:

Gonzaga University - Heritage University - Pacific Lutheran University - Saint Martin's University - Seattle Pacific University - Seattle University - University of Puget Sound - Whitman College - Whitworth University

February 23, 10:50 AM – 11:20 AM Military Rep Visit

Reps from the following military branches will be here to meet and assist you:

- U.S. Marine Corps
- U.S. Navy
- U.S. Air Force Academy

February 24, 9:30 am – 1:00 PMLWTech Tour- Limited spots available

This is a free field trip to visit LWTech. You will have the chance to explore the campus, see their hands-on programs in person, experience their Culinary Arts students' work with lunch at the Chef City Grill and hear directly from professors. Parent Consent forms are due to Mrs. Wu by Feb. 6.

February 25, 1:00 PM – 2:00 PM Crafting Your Future: Resume and Interviewing Skills for Career Success Live Webinar in the College and Career Center

In this resume & interviewing skills workshop presented by Honeywell Aerospace, students will learn how to create an effective resume that will help you land interviews. We'll cover the essential elements of a resume and the Do's and Don'ts to ensure your resume stands out. Once you get that job interview, we'll provide you with tips on how to be successful, key interview best practices, and a method to help you feel prepared and confident.

This live webinar is available to RHS and EHS students. It will be incredibly beneficial for

those applying for a Honeywell Summer Internship (see attached flyer) and looking to polish their resume and interview skills. Come to the CCC to join this virtual session!

February 27, 9:30 AM – 10:10 AM Career Speaker: Industrial Engineer

- Kara Albrecht Industrial Engineer from Starbucks will be speaking about her career journey.

This session will be in the CCC during homeroom time and students can sign up to attend HERE.

Check the CCC Website for details on CCC Events, Student Opportunities and Scholarships calendars as well as many other information and resources to help you explore and plan for your future.

University Updates

Colorado School of Mines: Students can apply to Mines for FREE, Feb. 9-14. There's no promo code or special process. Students can simply submit their application through the **Golden Application** during that window and the fee is automatically waived. Applications submitted via the CommonApp are not eligible for the free application. No test scores or essays required.

University of Dayton: Application deadline has been extended to Feb. 15. Interested seniors who have not yet applied to UD should do so as soon as possible for full scholarship and financial aid consideration.

WANIC Full-Year Program Application Is OPEN!

Applications received before March 31, 2026 receive priority. Students will not be enrolled before this date. Lotteries will be run and emails regarding enrollment and waitlist status for full year 2026-27 skill center programs will be sent by the end of April. After 3:00 pm March 31, Applications will only be accepted for programs with space available. **Full year applications close 3:00 PM July 15.**
Click **HERE** to learn more about WANIC's 2026-2027 Full Year Programs and to apply.

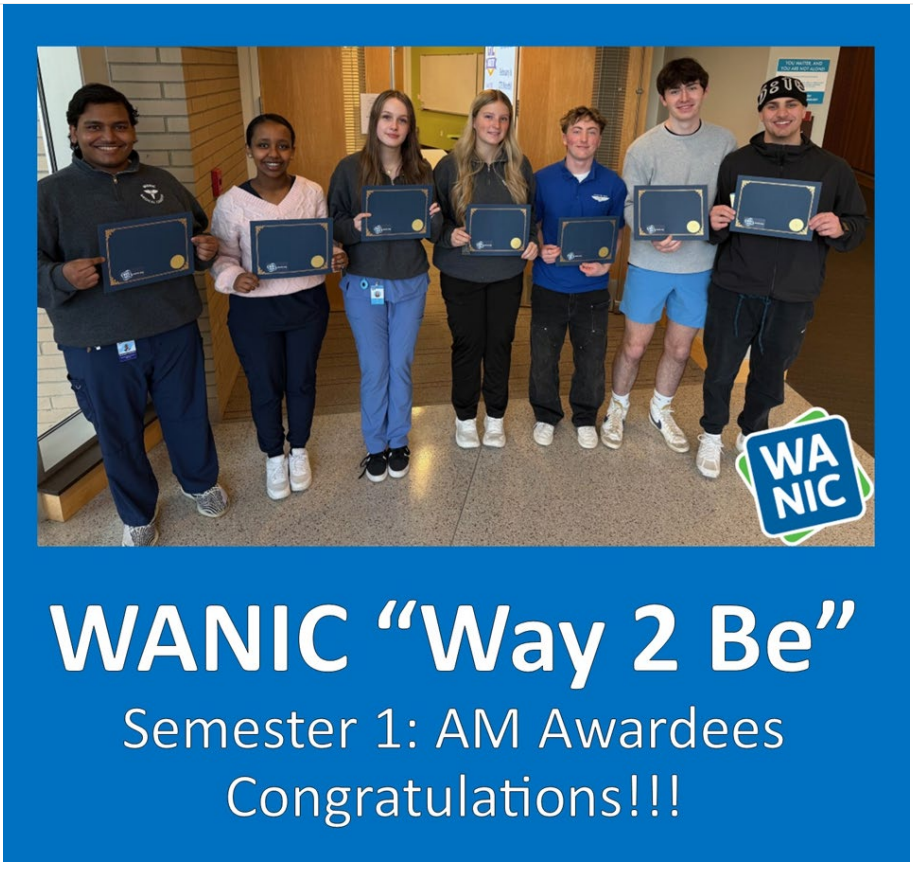

*Note: RHS students who must be scheduled for Period 3 and are applying to classes at DigiPen and Lake Washington Institute of Technology should only apply for the **morning WANIC classes.***

WANIC WAY SEMESTER 1 STUDENT RECOGNITION

The Washington Network of Innovative Careers (WANIC) Skill Center recently honored outstanding students during its Semester 1 Student Recognition Assembly. These students were identified by their peers for consistently demonstrating behaviors and attitudes that align with the core expectations of the WANIC Way.

The WANIC Way employability and workplace expectations rubric highlights seven key characteristics essential for success in both the classroom and future careers: attitude, reliability, responsibility, professionalism, initiative, respect, and integrity. Students recognized with the Way-2-Be Certificate have shown ongoing commitment to these principles, reflecting their dedication to becoming “highly sought-out candidates” in any career pathway they choose to pursue.

To learn more about the WANIC Way expectations and how they support student growth, visit: [WANIC Way - Washington Network for Innovative Careers](#).

Congratulations to RHS Hana Gebremichael in WANIC’s Medical Careers Program for receiving the Way2Be Award!

SENIORS! SUBMIT YOUR FAFSA/WASFA BY THE PRIORITY DEADLINE! Some Scholarships may require you to submit it.

What's the difference between the FAFSA and the WASFA?

Both FAFSA and WASFA are pathways for Washington State residents to apply for Washington College Grant (WA Grant) and other financial aid. WA Grant gives eligible people more money for more types of education like certificate programs, job training, apprenticeships, or college.

The Free Application for Federal Student Aid, or FAFSA, is for need- and non-need-based financial aid from both the federal and state governments, as well as your college and some private scholarships. Most people should complete the FAFSA to get the most the money available.

The Washington Application for State Financial Aid, or WASFA, is for financial aid from the state and some college aid, and is for people who cannot or choose not to fill out a FAFSA. The WASFA can be used by people who prefer not to file a federal FAFSA form.* It can also be used by people who can't file a FAFSA due to immigration status—including being undocumented—or other federal aid eligibility issues. You can still be considered a Washington resident if you are undocumented.

HONEYWELL ENGINEERING INTERNSHIP (Paid)

Honeywell Aerospace in Redmond, Washington, is excited to offer student internships designed to inspire and guide students on their journey from education to industry. Join them this summer and unlock your potential—internship opportunities available Summer 2026: June 29th – August 21st, 2026. Applications are **due on March 6th, 2026**. Interviews will take place from April 13th to April 24th. See flyer under the Student Opportunities Calendar on the CCC website for more information about the Honeywell Engineering Internship and to apply.
NOTE: RHS CCC will host a live webinar with Honeywell on "Crafting Your Future: Resume and Interviewing Skills for Career Success" on February 25, 1 - 2 PM in the College and Career Center. Check the RHS CCC Events Calendar for more information.
