Exciting News!

Barker Music Parents Club
is now
Barker Friends of Music

Our Mission—We are still an organization that is dedicated to supporting the music programs at Barker Central School District.

What's new? We wanted a name that clarified our organization is ***open to anyone*** (student, parent, teacher, & community member) who is interested in helping our music students excel. It's not just for parents! We also are officially a non-profit organization with 501(c)(3) status.
