

## Ceely Stout Memorial Scholarship Application

This scholarship is for a graduating senior who will be pursuing a career in the healthcare field.

Ceely Blair Stout was born June 30, 2014. She was the daughter of Lacy and Gabe Stout of Sulphur Springs, TX.

Ceely was diagnosed with a rare form of childhood cancer called retinoblastoma at seven weeks of life. She underwent numerous treatments for her illness, including a stem cell transplant in December of 2017.

After a long and brave battle with cancer, Ceely passed away on Thanksgiving Day 2018.

In 600 words or less, please TYPE an essay that answers the following questions:

What type of career in healthcare are you pursuing?

Why did you choose this particular area?

How have you been personally affected by the illness/death of a loved one?
