Early Release

Principal Corner

It has been an exciting and eventful week here at JFK! We kicked off February by celebrating Black History Month through a variety of engaging read-alouds and projects across grade levels, providing students with meaningful opportunities to learn and reflect. On Thursday, we marked the 100th Day of School with lots of fun, including surprise visits from "100-year-old Grannys" who made the celebration especially memorable. We wrapped up the week with Patriots Spirit Day, as students and staff proudly showed their team spirit heading into the weekend to cheer them on in the Super Bowl.

Looking ahead, classrooms will continue to honor Black History Month through Scholastic News articles and a range of grade-level projects - be sure to stay tuned for photos of students' final work! Next week, we are excited to host our Community Bookstore, where every student will receive a free book to enjoy during the upcoming winter vacation, thanks to the generosity of our wonderful community sponsors. Additionally, throughout the month, students will participate in a Reading Olympics challenge during library class, celebrating a love of reading alongside the excitement of the Winter Olympics.

February may be the shortest month of the year, but it is certainly a busy and exciting one here at JFK! Groundhog Day was celebrated earlier this week, and as you may have heard, Punxsutawney Phil did see his shadow - predicting six more weeks of winter. With snow in the forecast for this weekend, we hope everyone stays warm, stays safe, and enjoys a wonderful weekend.

Please remember that next Friday, February 13th, is an early release for all students in Holbrook. JFK students will be dismissed at 11:45AM. There is no afternoon preschool. If

Please see the district and JFK report cards below. Report cards will also be posted on the district and school websites.
