Financial Assistance

SouthLake Christian Academy desires to provide affordable and quality Christian education. Therefore, those requiring financial assistance are encouraged to apply for need-based financial aid. We are happy to offer Financial Aid Assessments through FACTS. Please visit FACTS at: <https://online.factsmgmt.com> to proceed with a financial aid application. The financial aid committee will consider the first round of applications on March 15th. Then, as funds allow, we will consider future requests intermittently. Please note that all families must apply for the NC Opportunity Scholarship in order to be considered for financial aid.

Non-Payment

Student re-enrollment, report card issuance, and transcript release will be suspended for those students with non-current accounts. The school reserves the right to block access to FACTS for accounts more than 60 days overdue, and to remove students from class for accounts more than 90 days overdue.
