## School Profile 2025-2026

Founded in 1962, the Anglican International School Jerusalem educates students from preschool through grade 12. The school is co-educational and serves families from 35 nationalities. AISJ is committed to the development of the whole child and is founded on Christian beliefs and values whilst respecting the rich and diverse communities within the school and in its unique location. We strive to create a warm and caring environment, in which students, families, and staff feel respected and valued.

### PROGRAM

AISJ offers a rigorous and varied academic program and first class pastoral care. The elementary curriculum in Nursery to Primary Years 6 is based on the British National Curriculum and the International Primary Curriculum. The courses offered in MY4-5 and DY1-2 lead to an American high school diploma. Enrolment in our school is non-selective. Our curriculum is adapted to the needs of an international student body and responsive to the rich learning opportunities for study in the region.

## Nationalities Breakdown

## TRANSCRIPTS AND GPA

AISJ provides transcripts for students' grades achieved in all classes in MY4-5 and DY 1-2 (grades 9-12) while at our school. The GPA is weighted according to the table provided on the transcript. In the first semester of DY1, IB candidates are all placed in HL courses, and receive HL weighting in the GPA calculation. At the end of the first semester of DY1, students declare their HL and SL choices, after which their grades are weighted accordingly.

## CLASS RANK

AISJ does not provide class ranking for seniors. There is no appropriate ranking system that would adequately account for our highly transitory, international students, many of whom transfer from schools with different educational and grading systems.
