

MS MATH SUMMER PROGRAM

\$375

\$400 for out of district students

Unlock Your Math Potential This Summer!

Get ready for an exciting and productive summer with our middle school math summer program. This 8-day program is perfect for students who want to review key math concepts and build confidence for the next school year!

- **Program Highlights:**
- **Expert Instruction:** Led by our dynamic RCS middle school math teachers who make learning both engaging and effective.
- **Concept Review:** Focus on priority math concepts from previous grades to solidify your foundation.
- **Small Class Size:** With a 1:12 teacher-student ratio, you'll receive personalized support throughout the program.
- **Snack & Recess:** Take breaks with a snack and recess to stay energized and ready to learn.
