\* **Financial Commitment:** 100% of tuition may be refunded when changing enrollment status (e.g., dropping Friday enrichment, changing to part-time, or unenrolling) on or before May 30; families are obligated to pay 15% of the annual tuition owed when changing enrollment status from June 1 to July 31; families are obligated to pay 20% of the annual tuition owed when unenrolling from August 1 up through the first two weeks of school; after 2 weeks of school, families are obligated to pay 100% of the annual tuition owed. **The tuition owed will not be applied as a credit. No fees are refundable.**

\* **Note:** Some minor expenses are to be expected throughout the school year (e.g., hot lunches, t-shirts, gifts for class parties, etc.), as well as fundraising for events that benefit the entire class (e.g., 8th grade banquet, Junior/Senior Banquet, Senior class gift). Parents who are not able to donate their time to help with class fundraising will need to make a cash donation in lieu of giving their time.

\* **Athletic Note:** Participating in athletics has two commitments: 1) Finding sponsors for the media guide (a cash contribution for the amount each athlete was asked to raise can be made in lieu of securing sponsorships); and 2) joining the KPA Booster club (\$50 annual dues).
