

TUSKER TRACKS

A weekly, trunkated note from Dr. B

The Bronstein Brief

Happy Friday, Somers!

Last night, I was so impressed by the incredible performers in the Somers Middle School production of "Wizard of Oz, Youth Edition!" If you don't yet have tickets, use the QR code below to catch one of three remaining performances: tonight at 7pm, tomorrow at 2pm or tomorrow at 7pm. Congratulations to the entire company and thank you to Ms. Williams for your direction and dedication to our students!

Around the District

February is Kindergarten Registration month here in Somers! We're happy to share that our fully digital and secure kindergarten registration process is now open! Scan the QR code below or visit this link for the registration page on our website:

<https://www.somersschools.org/families/registration/registration-kindergarten-registration>

All students who plan to begin Kindergarten in the Fall of 2026 (students who will turn 5 on or before 12/31/26) are required to register, **even if they are already enrolled in UPK, CSE or CPSE.**

The process tends to run more smoothly on a desktop computer rather than a mobile device. Also, the Somers Library has public computers available for residents as needed.

Tusker Pride

This week was National School Counseling Week!

The purpose is to highlight the tremendous impact school counselors have in helping students achieve school success.

Please help us in thanking the SCSD counselors, all of whom work tirelessly to amplify student success!

Tusker Tidbits

We don't just operate — we cooperate!

Over the past few weeks, students in Primrose PE classes have been building their cooperation skills by brainstorming what teamwork really looks like. This week, they put those ideas into action during a game called Pirate Ships, where students must work together to collect treasure and safely place it in their team's treasure chest.

Success takes strong listening skills, clear communication, and plenty of teamwork - the heart of cooperation! When they complete the challenge, they earn the title of Cooperation Winners of the Day 🏆

'Tails' of Triumph

We are so happy to announce that after an extensive search, I will recommend Meghan Febbie as our next Director of Pupil Personnel Services (PPS) to our Board of Education!

Ms. Febbie steps into this new role after serving as the Assistant Director of Special Services here in Somers since July 2024.

Meghan is an experienced educational administrator, with over a decade of leadership in Special Education and Student Services, and almost 25 years of service across multiple districts. Congratulations, Meghan!

The Week Ahead

- 2/16 - 2/17 - SMS Drama Performance - "Wizard of Oz, Young Performers Edition"
- 2/17 - Varsity Cheer Competition (SHS)
- 2/10 - Board of Education Meeting
- 2/12 - Science Research Poster Practice Night (WESEF)
- 2/16-2/20 - Winter Recess, Schools Closed
