Monthly Budget Monitoring Report - December 2025

Finance Consultant Mr. Zaski presented the [December 2025 Budget Monitoring Report](#) which compares all district fund activity to December 2024.

What is the General Fund and why is a "Fund Balance" important?

Michigan school districts utilize the General Fund to pay salaries and benefits, classroom instruction, supplies, textbooks and instructional materials, utilities, insurance and routine maintenance, transportation, administrative and support services. A healthy General Fund balance is essential for maintaining financial stability, ensuring cash flow, protecting against economic downturns and emergencies, supporting strong credit ratings, and allowing the district to plan responsibly while maintaining public trust.
