BACKGROUND

In January 2026, we invited our Bachelor of Arts (BA) and Bachelor of General Studies (BGS) alumni from the graduating classes of 2025, 2023, 2020, and 2015 to share their post-graduation experiences. The responses gathered are used to provide insight and data to inform and improve what Briercrest College and Seminary offers to our students. We share these results as a practice of accountability to our Briercrest family and to our accrediting bodies. We are grateful for the engagement of our alumni and look forward to hearing back from more of you as we continue to send out our alumni survey each year.

SURVEY DETAILS

The alumni survey is sent to four cohorts: those who had graduated approximately 6 months, 2 years, 5 years, and 10 years prior to the survey date.

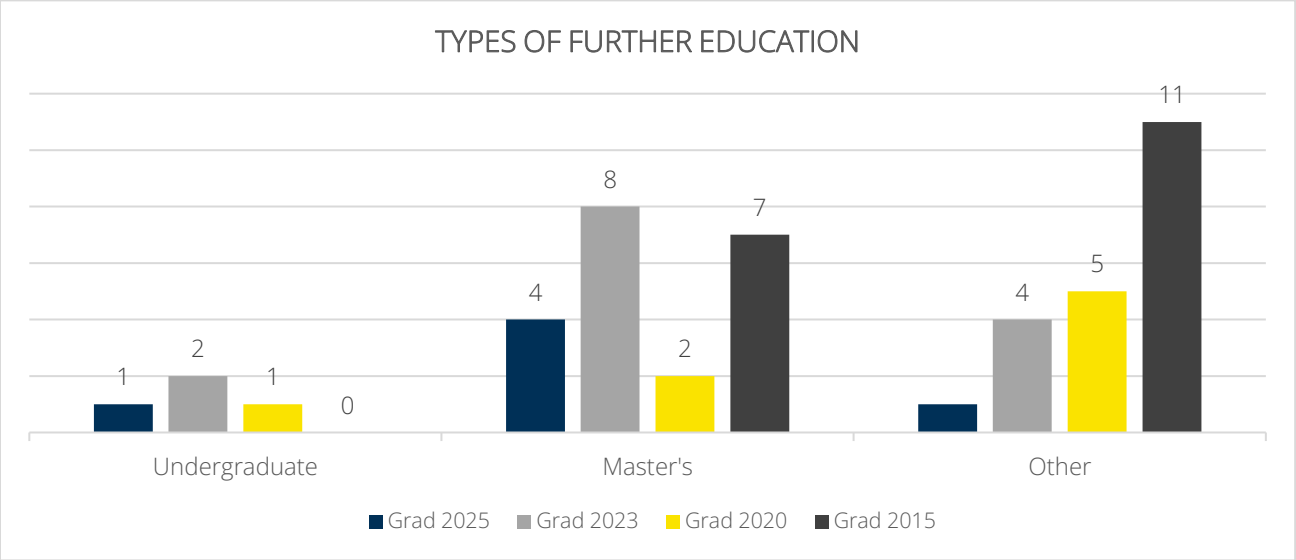

Response rates per cohort (Based on qualified respondents)

FURTHER EDUCATION

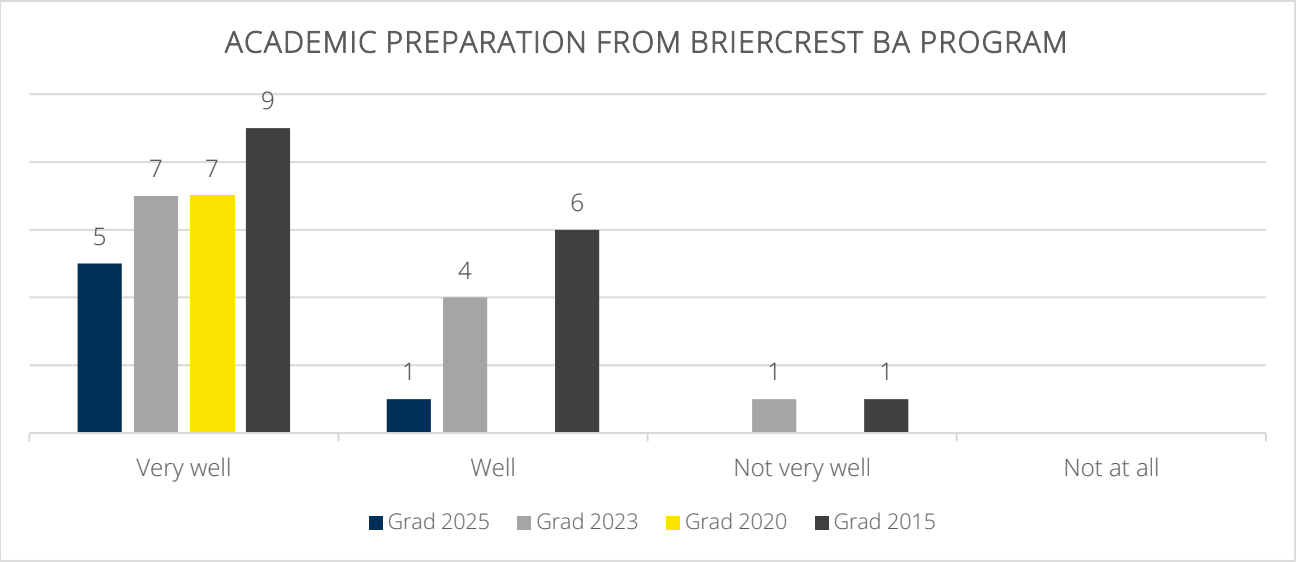

49%

Of total survey participants indicated having **taken further formal education or training**.
