Core Classes: All sixth grade students will be scheduled into the following core courses: Mathematics, Science, Social Studies, and Language Arts. Math & ELA placement is determined using a variety of data points.

Electives: Please read the "Elective Course Descriptions" prior to making requests. In total, students will have 4 semesters of electives with a required semester of Health/PE and a CTE course. Band and Orchestra are yearlong courses and count as two electives.

Ranking your Requests:
 Students will choose from the elective courses listed below. Students may request 4 semester courses OR 1 yearlong and 3 semester course. ***One of students' top 3 requests MUST be a CTE course***, unless they are requesting a yearlong course. Requests are not guaranteed. We will do our best to accommodate placement in selected elective classes. Please number elective requests 1-4 in order of preference with "1" as the first choice.
