PCBA SCHOLARSHIP APPLICATION

The **P**lymouth **C**ounty **B**eekeepers **A**ssociation is offering a five hundred dollar scholarship/award to several deserving Plymouth County high school graduates who will further their education and skills by way of college or specialized vocational training under an Accredited Certificate Program. We also offer a one thousand dollar award to one high school graduate from any county in south-eastern Massachusetts who is furthering his or her training in an agricultural field.

Personal recommendations are welcomed. Please scan (pdf is best), attach and email everything as one package no later than MIDNIGHT, April 1, 2026.

High School:_____

In addition: Please compose and attach an essay, telling us about yourself, your school, your aspirations, activities, work and hobbies. Tell us about how you have coped with the past years, what your biggest disappointments as well as your most positive realizations have been for your High School Years, and what you expect in the following twelve months. Your essay may be informative and/or cathartic (look it up) and/or entertaining. Do your best!

To which colleges or specialized programs have you applied and/or been accepted?

Please provide documentation. _____
