### Multilingual Students Receiving ELD Services

- **ELD** is an acronym for English Language Development.

### Students Receiving SPED Services

- **SPED** is an acronym for Special Education.
- Placement for required courses in their qualifying areas will be determined by each student's IEP team. This includes students in our FSA, Mid-Level, and LC programs. Questions regarding placement should be communicated to your student's case manager or counselor.

### Students Receiving AAP/Highly Capable Services:

- **AAP** is an acronym for Advanced Academic Placement.
- Qualifying students will automatically be placed into AAP/Highly Capable Math and English classes based on current year placements or information from the District.
- **Parents and Guardians of Highly Capable students:** If your student qualifies for AAP/Highly Capable courses and you prefer that they are NOT enrolled in AAP/Highly Capable courses, please email your student's counselor.
