

HOLLIS-BROOKLINE ROTARY CLUB **SHORT-TERM** STUDENT EXCHANGE

HBHS Parents: Bring the World Home  **Discover Rotary Short Term Exchanges**

Now is the time to get started applying for a Rotary International Short-Term Student Exchange for the *upcoming summer!*

Hollis-Brookline students are matched with a student and family from one of many other countries who are eager to exchange cultural experiences.

Students will spend 3-4 weeks living with the matched family in one country and then both students will travel to the other matched family's home and spend 3-4 weeks there!

Families determine their own schedules.

Short-Term Rotary Exchange is a wonderful way to explore different cultures; to promote world peace and understanding, and it may even open up your family to new life-long friends and travel opportunities!

Please consider this great program!
