Girl Scouts Gold Awards

Requested Action

School Board Recognition of Girl Scouts Gold Awards

Summary Explanation and Background

A Cherokee County School District student has earned the Girl Scouts Gold Award!

Congratulations to Sequoyah High School senior Angelina Miller of Troop 14611, who earned the award this school year for her “Take A Seat” project. Angelina created, organized, and successfully completed a seat plaque sale fundraiser for the school's auditorium seats to bolster its theatre program for years to come.

Gold Award is the highest award Girl Scouts earn, and only about 5% of scouts achieve this accomplishment. To earn a Gold Award, Girl Scouts complete leadership programs and a sustainable community project, which must meet specific requirements including a minimum of 80 hours of service.
