Title

Recognition of PTA in Honor of PTA Founders Day

Requested Action

School Board Recognition of PTA in Honor of PTA Founders Day

Summary Explanation and Background

The history of the National Parent Teacher Association (PTA) traces its origin of advocacy on behalf of children and education back to February 17, 1897, which today is celebrated as PTA Founders' Day.

We recognize the Cherokee County Council PTA (CCC PTA) executive board for its leadership in overseeing all school PTA units in CCSD, and we recognize the incredibly important volunteerism by our school PTA units' leadership and membership.

A separate organization from CCSD led by its own governance team, the CCC PTA all-volunteer executive board ensures the success of all school PTA units in supporting the students, teachers and staff, and overall success of CCSD schools. The council achieves this success through coordinating governance training and other important development for PTA unit leaders, as well as through providing support to PTA unit leadership.

The CCC PTA Executive Board is made up of: President Aletia Martin, Vice Presidents Christina Kincade and Kayla Maurer, Secretary Suzanna Alsobrook, and Treasurer Audrey Legrand.
