CAMP CLOVER

AT THE CLOVER SCHOOL

SUMMER 2026

PROGRAM

THE ♥ OF SUMMER

Join us at Camp Clover for another unforgettable summer!

Through engaging and enriching activities, your child will make lasting friendships and have the most fun. Our programming each session includes sports, visual/performing arts, outdoor education, cooking, gardening, collaborative games and so much more.

Blue Clover Campers

2.7 to 3.7 yrs (Five 2-week sessions)

Red Clover Campers

3.8 to 5.6 yrs (Ten 1-week sessions)

Yellow Clover Campers

5.7 to 9 yrs (Ten 1-week sessions)

WEEKLY THEMES

Week 1 - June 22 to 26
'True North Explorers'

Canada comes alive this week! Campers will journey through the country's landscapes, wildlife, and vibrant culture, discovering iconic landmarks, exciting sports, and hidden wonders through interactive games, crafts, and playful adventures.

Week 2 - June 29 to July 3 (Closed July 1st)
'Imagine & Create'

A week bursting with colour, texture, and imagination! Campers will dive into painting, sculpture, and collaborative art projects, turning their ideas into tangible creations they can be proud of.

Week 3 - July 6 to 10
'Little Inventors'

Curiosity takes the lead! Campers tinker, build, and experiment with simple machines, structures, and science challenges, discovering the joy of problem-solving and hands-on invention.

Week 4 - July 13 to 17
'Make Believe Magic'

Imagination runs wild! Dress-up, storytelling, and creative play bring characters and adventures to life, letting campers explore new worlds, teamwork, and self-expression.

Week 5 - July 20 to 24
'Trailblazers'

Step outside and explore! Campers will venture into nature to investigate plants, habitats, and outdoor skills, building confidence, curiosity, and a love for the great outdoors.

Week 6 - July 27 to 31
'Game On!'

Let the games begin! Team challenges, obstacle courses, and active play help campers develop coordination, teamwork, and the thrill of healthy competition.

Week 7 - August 3 to 7 (Closed August 3rd)
'Artful Adventures'

Creativity meets fun! Campers will explore printmaking, clay, and collaborative projects, experimenting with new techniques while bringing their big ideas to life.

Week 8 - August 10 to 14
'Curiosity Lab'

Questions welcome here! Campers will dive into experiments, problem-solving, and playful investigations, discovering the wonders of science, engineering, and the world around them.

WEEKLY THEMES

Week 9 - August 17 to 21

'Rhythm & Rhyme'

Move, dance, and sing! Campers will explore sound, rhythm, and music through instruments, songs, and movement games that get bodies moving and imaginations grooving.

Week 10 - August 24 to 28

'Wild Wonders'

Animals, habitats, and nature come alive! Campers will investigate creatures big and small, learning about their behaviour, care, and the amazing diversity of the animal kingdom.
