February 8, 2026

## Carroll's Corner

📅 **No School:** Please remember there will be **no school on Monday, February 16 and Tuesday, February 17.** Enjoy the long weekend!

📄 **Registration Open:** Registration for next school year is currently open for our current 6th and 7th grade students.

💎 **Mustang Giving Circle:** Check out information from our PTCO to learn how you can support the **Mustang Giving Circle** and make a difference for our students.

🙏 **Thank You, Sponsors!:** Be sure to notice the **PTCO banners** on the fence—thank you to our business sponsors for your generous support of Campus!

🗓️ **Accountability Meeting:** Don't forget the **Accountability Meeting with Cherry Creek High School on February 11.** We hope to see you there!

🔊 **Important Communication:** Please read the information below regarding the **student walkout on Friday, February 6.**

Thank you for your partnership in ensuring that schools are safe places for students to learn, grow and develop into the leaders of tomorrow.

We want to thank district staff for their efforts to ensure student safety while we follow our walkout protocol during the walkout.

While the Cherry Creek School District does not endorse or host walkouts, we respect students as they exercise their First Amendment rights. Our school had 500 students participate in a walkout related to immigration enforcement actions happening across the country.

Thank you for your partnership in ensuring the safety of our students.

## News from the Library

### 3rd Quarter Maker-Palooza in the Campus Library

This quarter, the Campus Library partnered once again with **Arapahoe Public Library** to host our 3rd Quarter Maker-Palooza! Students explored hands-on creativity by designing and making their own **sensory and fidget toys**, including fidget snakes, squish balls, and fidget necklaces and bracelets. Twenty students from each grade level signed up to participate, and the library was buzzing with creativity, focus, and fun. Maker-Palooza is a once-a-quarter event that gives students a chance to learn through making, problem-solving, and collaboration—and this session was a big hit!
