DISTRICT BID ADDENDUM NO. 1

Date: February 9, 2026

To: All Bidders

From: Jose Contreras, Facilities Director

Re: 2025-26-07 New Shade Structure Installation Project

The attached Addendum is issued for the purposes of amending certain requirements of the bid and hereby made part of and incorporated in full force as part of the Contract Documents. Unless hereinafter specifically noted or specified otherwise, all work shall confirm to the applicable provisions of the Contract Documents.

BID ADDENDUM NO. 1 DESCRIPTION:

1. Pre-Bid RFI Responses

    1. How much is the engineer's estimate?

    Answer: No Engineer's Estimate.

    2. Is there an allowance?

    Answer: Please review bid documents, bid allowance is noted on the bid documents.

    3. Do we have to be prequalified?

    Answer: No, as stated on the bid posting, prequalification is non-applicable. Bidders must be registered with MVUSD PQBids.

    4. Are there any special Labor Agreements required, as PLA or CWA, in this project?

    Answer: No special Labor Requirements outside of Prevailing Wage Requirements and be registered with the DIR.

    5. Are the (8) Shade Structures Pre-Purchased from USA Shade by the Owner? Or Contractor furnishes them from the USA Shade?

    Answer: Shade Structures will be OFCI, Contractor will be responsible for the re-bar cages.

    6. In the instructions to bidders, paragraph 29, it states only pre-qualified contractors can bid on this project if applicable. Is this applicable to this bid?

    Answer: No, as stated on the bid posting, prequalification is non-applicable. Bidders must be registered with MVUSD PQBids.

7. Is there an engineer's estimate you can provide?

Answer: No Engineer's Estimate.

8. Please confirm that the shade structures are going to be purchased by the district.

Answer: Confirmed, Shade Structures are being procured from USA Shade directly.

9. Plans show that there will be 2 Drilled Pier-PIH and 2 Drilled Pier-RBP shade structures. Will the shade structure kit include the anchor bolts for the 2 Drilled Pier-RBP?

Answer: Confirmed, USA Shade will be providing anchor bolts for the 2 Drilled Pier-RBP

10. Is the cage included with the shade structure kits?

Answer: No, contractor is responsible for the fabrication and installation of the re-bar cages.

11. What will the work hours be for this job?

Answer: As mentioned in the job walk, project is scheduled for June installation and completion. Alternative schedule can be approved with the school site approval and safety plan. If work is to commence in June, sites will be available starting at 7:00AM. If an alternative schedule is selected, hours will vary depending on the activity.

12. Will the work area need to be fenced in?

Answer: Work site will need to be secure and safe.

13. Is an engineer's estimate available for this project?

Answer: No Engineer's Estimate.

14. Is the shade structure OFCI?

Answer: Yes, the shade structures will be OFCI.
