2025-2026 Phase Three: The Superintendent Gap Assurance

This district-level report fulfills KRS 158.649(9), which requires superintendents to report to the Commissioner of Education any school within the district that fails to meet its targets to reduce the gap in student achievement for any student group for two consecutive years.

The school-based decision making council, or the principal if no council exists, is required to set the school's yearly targets for eliminating any achievement gap. These targets can be found on the Comprehensive School Improvement Plan template for each school. When determining which schools did and did not meet their targets, the superintendent should review the achievement gap objectives (short-term targets) from the previous two years found on the planning template.

Gap Target Assurance

As superintendent of the district, I hereby certify either:

○ No school within my district failed to meet its targets to reduce the gap in student achievement for any student group for both of the last two (2) consecutive years.

● **Pursuant to KRS 158.649(9), one or more school(s) in my district failed to meet its targets to reduce the gap in student achievement for any student group for both of the last two (2) consecutive years. If this option is selected, completion of this assurance is contingent on the name(s) of any school being reported pursuant to KRS 158.649(9). Superintendents selecting this option, must complete the supplemental form hyperlinked below.**
