

Shad Thielman

A veteran, Trustee Thielman first served the community as a United States Marine from 2000 to 2004. More recently, Shad has served as a Trustee since 2021. Preceding his time as a Trustee, Shad served as Co-President of the Independent Citizens Oversight Committee, which oversaw Measure GG funding. As an educator within the California State University system, Trustee Thielman has served on the Academic Senate and is acutely familiar with student learning outcomes, curriculum planning, and regularly witnesses the results of public education. As a parent of one child who matriculated out of the district and another who is currently a student within the district, Trustee Thielman has had the privilege of being involved with Cardiff schools since 2012. Trustee Thielman has a vested interest in the district and its goal to develop a culture of lifelong learning and mold civically-minded contributing citizens.
