13. B. 2. Request Approval of Resolution No. 25-26/37, Regarding Reduction or Discontinuance of Particular Kinds of Services, Deviating from the Seniority Order, and Establishment of Tiebreaking Criteria

Rationale

The administration requests the approval of Resolution No. 25-26/37, regarding reduction or discontinuance of particular kinds of services, deviating from the seniority order, and establishment of tiebreaking criteria.

The District has determined a need for the reduction of particular kinds of certificated services. For certificated employees, the Education Code requires that the Board pass a resolution to identify the particular kinds of services or programs that may be reduced or eliminated in the upcoming fiscal year. Certificated staff potentially impacted by this action will be served with a statutory layoff notice by March 15, 2026.

The resolution will direct the Superintendent/designee to determine which employees are to receive notice of layoff as a result of the service reduction/elimination, pursuant to California Education Code 44955 and 44949.

BOARD OF EDUCATION
LYNWOOD UNIFIED SCHOOL DISTRICT

RESOLUTION REGARDING REDUCTION OR DISCONTINUANCE OF PARTICULAR KINDS OF SERVICES, DEVIATING FROM THE SENIORITY ORDER, AND ESTABLISHMENT OF TIEBREAKING CRITERIA

RESOLUTION NO. 25/26-37

WHEREAS, the Board of Education ("Board") of the Lynwood Unified School District ("District"), upon the recommendation of the Superintendent, has determined that it is in the best interest of the District, and the welfare of District schools and students thereof, to reduce or discontinue particular kinds of services enumerated herein; and

WHEREAS, it is the opinion of this Board that the following kinds of services be reduced or discontinued for the 2026-2027 school year; and

WHEREAS, it is the opinion of this Board that it is necessary by reason of the following reductions and discontinuances of service to decrease the number of certificated employees by the equivalent of 18 full-time equivalent ("FTE") non-management certificated employees for the 2026-2027 school year; and

WHEREAS, it is the opinion of this Board that it is necessary by reason of the following reductions and discontinuances of service to decrease the number of certificated management employees by the equivalent of 3 full-time equivalent ("FTE") certificated management employees for the 2026-2027 school year; and

WHEREAS, in determining the services to be reduced or discontinued, the Board has considered all assured and/or attrition known as of the time of this Resolution, and the reductions set forth herein are in addition to any known and assured attrition; and

WHEREAS, this Board is authorized by Education Code section 44955 to deviate from terminating certificated employees in order of seniority where the District demonstrates a specific need for personnel to teach a specific course or course of study; and

WHEREAS, the Board has determined that it has a need to retain certificated employees as identified in **Exhibit A**, because they possess specialized training and experience that more senior employees do not possess; and

WHEREAS, the Board has determined that as between employees with the same seniority date, the order of terminations shall be based solely on the basis of the needs of the District and the students thereof, as determined by the Board-adopted criteria set forth in **Exhibit B**; and

WHEREAS, Education Code section 44846 requires the Board to establish the order of employment of certificated employees and the certificated seniority list is set forth in **Exhibit C**; and

WHEREAS, the Education Code requires that various actions be taken and notices be issued prior to March 15th of each school year regarding layoffs of certificated personnel resulting from reductions or particular kinds of service.

NOW THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED by the governing Board of the Lynwood Unified School District, that for the 2026-2027 school year, the particular kinds of services to be provided by said District shall be and hereby are reduced or discontinued to the extent set forth herein, as follows:

1. Pursuant to Education Code sections 44949 and 44955, the following particular kinds of services shall be reduced or discontinued at the close of the 2025-2026 school year. These services, listed by full-time equivalent (FTE) positions, and performed by certificated employees are as follows:

Multiple Subject Credential	8	FTE
Single Subject Art	1	FTE
Single Subject Business	1	FTE
Single Subject English	1	FTE
Single Subject Math	1	FTE
Single Subject Science	1	FTE
Single Subject Social Studies	4	FTE
Single Subject Spanish	1	FTE
Total Non-Management Certificated FTE:	**18**	**FTE**

2. Pursuant to Education Code sections 44949 and 44955, the following particular kinds of services shall be reduced or discontinued at the close of the 2025-2026 school year. These services, listed by full-time equivalent (FTE) positions, and performed by certificated management employees are as follows:

Health Services Specialist	1	FTE
Assistant Director	1	FTE
Director	1	FTE
Total Management Certificated FTE:	**3**	**FTE**

3. The Superintendent or his designee is hereby directed to serve notices of layoff in accordance with Education Code sections 44949 and 44955. In addition, the Superintendent or his designee is authorized, where deemed necessary, to issue additional notices of layoff to certain other employees whose rights may be affected.

4. An exception from the order of layoff may be sought because of the special training and experience of certain certificated employees which others with more seniority do not possess as set forth in **Exhibit A**.

5. The Governing Board has determined that, as between certificated employees who first rendered service in a probationary position on the same date, the order of layoff of said employees shall be determined by reference to the tiebreak criteria to be assigned as set forth in **Exhibit B**, a copy of which is attached hereto and incorporated herein by reference.

6. The Governing Board hereby adopts the Certificated Seniority List in **Exhibit C**, a copy of which is attached hereto and incorporated herein by reference, which may be corrected from time to time by the Superintendent or his designee based on valid evidence presented by any certificated employee of any change. Such corrected Certificated Seniority List shall be valid absent action by the Governing Board.

7. Due to the reduction or discontinuance of particular kinds of services, the number of employees of the District noticed pursuant to Education Code sections 44949 and 44955, as applicable, will not be reemployed for the 2026-2027 school year. Furthermore, the Superintendent, or their designee, is delegated the authority to take all actions necessary and proper for purposes of this Resolution.

LYNWOOD UNIFIED SCHOOL DISTRICT
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

CERTIFICATED PERMANENT AND PROBATIONARY PERSONNEL THE DISTRICT SHALL SEEK TO EXEMPT FROM THE ORDER OF LAYOFF BY VIRTUE OF THEIR CREDENTIALS, COMPETENCE, ASSIGNMENT, EXPERIENCE OR CERTIFICATION

The Lynwood Unified School District Governing Board will seek to deviate from the order of certificated layoff, pursuant to Education Code section 44955, based on special training, experience, or credential that others with more seniority do not possess:

1. Certificated personnel who possess a valid Bilingual Cross-Cultural Language and Academic Development Authorization (BCLAD) Certification or Bilingual Authorization Spanish (BASP) who are currently teaching in a dual language immersion program.

    a. Employees with a BCLAD or BASP certification will be skipped and retained because bilingual educators are critical to supporting English learners. Many districts struggle to hire and retain bilingual teachers, making it essential to keep those who hold this certification to comply with state-mandated English learner programs, dual immersion programs and education requirements.

2. Certificated personnel who will be assigned to teach Transitional Kindergarten (TK) for the 2026-2027 school year and who meet the Early Childhood Education (ECE) requirements or who was assigned to teach TK, or a combination of kindergarten and TK, on or before July 1, 2025.

    a. Employees meeting the ECE requirements for Transitional Kindergarten (TK) will be skipped and retained because of the expansion of universal TK in California. The demand for qualified TK teachers is rising, and retaining these educators ensures compliance with state regulations while maintaining program stability.

DETERMINATION OF SENIORITY AMONG CERTIFICATED EMPLOYEES WITH THE SAME SENIORITY DATE ("Tie-Breaker Resolution")

Education Code section 44955 requires the governing Board of Education, as between employees who first rendered paid service to the District on the same date, to determine the order of termination solely on the basis of the needs of the District and its students; and

Education Code section 44955 requires that upon the request of any employee whose order of termination is determined as stated above, the governing Board of Education shall furnish in writing no later than five days prior to the commencement of the hearing held in accordance with Section 44949, a statement of specific criteria used in determining the order of termination and the application of the criteria in ranking each employee relative to the other employees in the group.

For 2026-2027 school year, to meet the requirements of Education Code section 44955, the governing Board of Education determines the needs of the District and the students thereof by establishing the following tie-breaking criteria. Qualifications submitted to the Human Resources Office after March 15, 2026, will not be considered.

Exhibit "B" to the Layoff Resolution establishes the tie-breaking criteria for employees who first rendered service in a probationary position on the same date, as follows:

1. The Board of Education determines that the needs of the District and the students of this District are best served by resolving seniority ties within the meaning of Education Code sections 44955, subdivision (b), and 44846, by applying the criteria set forth in paragraphs 4 through 7 below.

2. Between employees who first rendered paid service to the District in a probationary position on the same date, the order of termination of said employees shall be determined by reference to the following criteria and the application thereof to each employee.

3. The criteria set forth in paragraphs 4 and 7 below are listed in priority order and each criterion shall be used only if the preceding criteria do not delineate the order of termination.

4. As between certificated employees possessing the same seniority date as defined in Education Code section 44845, those who possess a Permanent Clear Credential shall be considered more senior than those who hold a Preliminary Credential.

5. Assuming that the preceding paragraph does not resolve all ties between certificated employees having the same seniority date as defined in Education Code section 44845, those who possess the appropriate English Language Learner ("ELL") authorization to teach English Language Learners will be regarded as having greater seniority for purposes of determining seniority order than certificated employees not having certification/authorization to teach English Language Learners. For purposes of tie-breaking, all those who possess BCLAD, BASP, and ELA1 authorizations shall be considered more senior than those possessing other ELL certificates/authorizations.

6. Assuming that the preceding paragraph does not resolve all ties between certificated employees having the same seniority date as defined in Education Code section 44845, those who possess a Master's Degree or Doctorate Degree shall be considered more senior than those without either advanced degree.

7. Assuming that all the preceding paragraphs do not resolve all ties between certificated employees having the same seniority date, then the tie will be broken by a lottery conducted by the Office of Human Resources. The affected certificated employees in each tie group and a bargaining unit representative will be invited to attend. In the event an affected employee does not attend, a representative from the office of Human Resources will draw in the lottery on behalf of the absent employee. Participants drawing higher lottery numbers will be regarded as having greater seniority than participants drawing lower numbers.

ADOPTION OF SENIORITY LIST

Education Code section 44846 requires the Governing Board to establish the order of employment of certificated employees, and the attached Certificated Seniority List may be corrected from time to time by the Superintendent or his designee based on valid evidence presented by any certificated employee. Such corrected Seniority List shall be valid absent further action by the Governing Board.

13. C. 1. Request Approval of Resolution No. 25-26/38, Regarding Reduction or Discontinuance of Certain Classified and Classified Management Positions Due to Lack of Work and/or Lack of Funds

Rationale

The administration requests the approval of Resolution 25-26/38, regarding reduction or discontinuance of certain classified and classified management positions due to lack of work and/or lack of funds.

Education Code sections 45114, 45115, 45117, 45298 and 45308 authorize the Board to layoff classified employees for lack of work, lack of funds, and/or as a result of the expiration of a specifically funded program. The Superintendent, or designee, of the District is hereby authorized and directed to give notice of layoff to the affected classified employees by March 15, 2026, pursuant to District rules and regulations as well as the applicable provisions of the Education Code, Collective Bargaining Agreement, and the Personnel Commission Rules and Regulations, which shall include their re-employment and displacement rights, if any.

In addition, the Superintendent or his designee is authorized, where deemed necessary, to issue additional notices of layoff to certain other employees whose rights may be affected.

The resolution will direct the Superintendent/designee to determine which employees are to receive notice of layoff as a result of the service reduction/elimination, pursuant to California Education Code 45117.

13. D. 1. Request Approval to Extend the Agreement with Universal Warehouse Company, to Provide Services to Secure Storage of HVAC Equipment from September 1, 2025, through August 27, 2026

Rationale

Staff requests approval to extend the agreement with Universal Warehouse Company, to provide services to secure storage of HVAC equipment from September 1, 2025, through August 27, 2026.

These units were purchased with expiring Federal ESSER funds that had to be used or returned. Placement in a secured and bonded warehouse ensures that the units are protected from theft or vandalism. Units are held in the warehouse while district-contracted architects and engineers develop plans for their installation. All units remaining in the warehouse are roof-mounted and require approval from the Division of the State Architect (DSA) for installation. Planning is in progress now. The amount spent on storage will be reduced as units are pulled and installed.

Storage fees will be paid with Measure K funds.

Total cost is not to exceed $251,626.20.

13. E. 2. Request Approval to Enter Into an Agreement with Asphalt, Fabric & Engineering for the Replacement of the Existing Football Field and Resurfacing of the Running Track at Lynwood High School Imperial Using Sourcewell Purchasing Cooperative Contract #031622-AST from February 16, 2026, through September 30, 2027

Rationale

Staff requests approval to enter into an agreement with Asphalt, Fabric & Engineering (AFE) for the replacement of the existing football field and resurfacing of the running track at Lynwood High School Imperial, using Sourcewell Purchasing Cooperative Contract #031622-AST from February 16, 2026, through September 30, 2027.

The football field and running track at Lynwood High School Imperial Campus require replacement and resurfacing to address safety, performance, and functionality concerns. After an extensive review of available products and procurement options, staff determined that AstroTurf synthetic turf with cork infill and Rekortan RT Track System best meet the District's needs. Utilizing the Sourcewell Purchasing Cooperative provides access to competitively awarded contracts, allowing the District to secure high-quality products and installation services at competitive pricing while streamlining the procurement process.

District staff conducted a comprehensive evaluation of three synthetic turf brands, including multiple infill options, and reviewed one brand of turf that does not use an infill. The review process included site visits to newly installed facilities as well as installations more than five years old to assess durability and performance. AstroTurf synthetic turf with cork infill was selected for its high-quality performance, safety standards, environmental benefits, and cost competitiveness. This system is also consistent with the turf used on adjacent fields where District athletes compete, providing familiarity and continuity.

The Rekortan RT Track System was chosen for its durability, high performance, and suitability for competitive athletics.

The Sourcewell Purchasing Cooperative Contract was utilized to ensure a transparent, efficient, and cost-effective procurement process, leveraging pre-negotiated contracts that meet public agency standards. Asphalt, Fabric & Engineering (AFE) is listed as the distributor for AstroTurf in Southern California under Sourcewell Purchasing Cooperative Contract #031622-AST.

Total cost is not to exceed $1,438,922.00.

The project will be funded by the $250,000,000 state allocation for Lynwood High School rebuilding efforts.

14. A. 16. Request Approval to Renew Agreement with Heggerty, to Provide Phonemic Awareness Training for First Grade Teachers and Special Education Teachers at the District Professional Development Day on February 17, 2026

Rationale

The administration requests approval to renew agreement with Heggerty to provide phonemic awareness training for first grade teachers and special education teachers on the district professional development day on February 17, 2026.

Heggerty's nationwide work for over 20 years is supported by the science of reading and the National Reading Panel, emphasizing that phonemic awareness is a foundational skill that is essential for learning to read. Increasing phonemic awareness opportunities in the classroom assists students in developing a deeper understanding of sounds. This knowledge, starting with our youngest learners, will directly impact their reading, spelling and writing. Proficiency in phonemic awareness predicts later outcomes in reading success and facilitates growth in printed word recognition.

On February 17, 2026, professional development will consist of one day, with both a three (3) hour training course in the morning for kindergarten special education teachers and a three (3) hour training course in the afternoon for first grade teachers and special education teachers in grades one and two. Training content to be covered will include phonemic awareness implementation and integration into the first grade classrooms and special education classrooms with students in kindergarten, first, and second grades.

Adopted by the Board: 02/12/2026

14. B. 3. Request Approval to Renew Agreement with Alder Graduate School of Education from July 1, 2026 to June 30, 2027

Rationale

The administration requests approval to renew an agreement with Alder Graduate School of Education (GSE) from July 1, 2026 to June 30, 2027.

The District will recruit and host teaching candidates who will participate in Alder GSE's Teacher Preparation Program that will provide multiple subjects, single subject, or educational specialist teacher credentials, and either a Master of Arts with a concentration in teaching or a Master of Arts with a concentration in special education. Alder and Lynwood Unified School District (LUSD) recruit candidates from LUSD, the City of Lynwood, and surrounding communities. The program offers an important career pathway into teaching for the District's classified staff and a robust pipeline to identify high-quality applicants for hard-to-fill positions, already resulting in nine full-time teacher placements.

The residents will participate in a year-long apprenticeship with a LUSD mentor teacher. In partnership with the Alder GSE grants and State of California Department of Education grants awarded to LUSD, residents receive $39,000.00 ($7,500.00 District funds/$31,500.00 grants funds) annually per resident for a stipend. Based on the grant, the cohort for 2026–2027 is not to exceed 23 residents.

Rationale

The administration requests ratification of participation in the Office of Self-Insurance Plans (OSIP) program with the Department of Industrial Relations (DIR) office from July 1, 2025 through June 30, 2026.

Participation in this program will allow authorization of payment for the OSIP assessment. This is a mandatory fee required for our organization's participation in the self-insurance program. The assessed amount has been verified and is within the budgetary allocations.

OSIP provides crucial support for our organization's self-insurance program, ensuring compliance with regulatory requirements and facilitating the efficient administration of our self-insured claims. The assessed amount is calculated based on paid workers' compensation claims, and a detailed breakdown has been provided for all members.

14. B. 5. Request Ratification of Agreement Renewal with Swing Subs, to Provide Back-Up Certificated and Classified Substitutes from July 1, 2025 through June 30, 2026

Rationale

The administration requests ratification of agreement renewal with Swing Subs, to provide back-up certificated and classified substitutes from July 1, 2025 through June 30, 2026.

The District maintains a pool of both certificated and classified substitutes, but at times, the existing pool is not able to satisfy the number of substitute requests. Additionally, substitute recruitment has been particularly challenging as we have an increased need for certificated and classified substitutes as we work to provide additional adult support for students. Swing Subs will be able to provide support to ensure better staffing at school sites when the District has professional development workshops. Various professional development trainings have been identified that will be staffed primarily by Swing Subs. Swing Subs will also staff instructional assistant vacancies as we continue to recruit.

Rate per certificated substitute teacher is $250.20 per day, and the rate per classified substitute is $180.00 per day.

Cost for services will be as follows:

- $25,000.00 - Early Childhood Education
- $90,000.00 - Educational Services (45,000.00 Elementary Education/$45,000.00 Secondary Education)
- $80,000.00 - Human Resources Department
- $348,000.00 - Special Education Department
- $55,000.00 - Student Services Department

14. C. 2. Request Approval of the Classified Personnel Attendance Incentive/Perfect Attendance Stipend Schedule for Classified Employees per the CSEA and SEIU Contracts for the 2025-2026 Fiscal Year

Rationale

The administration requests approval of the classified personnel attendance incentive/perfect attendance stipend schedule for classified employees per the CSEA and SEIU contracts for the 2025 -2026 fiscal year.

The perfect attendance incentive stipend is for classified employees who maintained zero (0) absences during the second quarter of the 2025-2026 school year. This incentive is part of the collective bargaining agreement between the District and CSEA, as well as with SEIU. The Payroll Department verifies employees with zero (0) absences, except for approved vacation and floating holidays.
