

EDISTO ELEMENTARY SCHOOL SC PERFORMANCE TASKS

March 3-4

IMPORTANT NOTICE TO FAMILIES:

Students who qualify to participate will receive a letter by February 17 with additional details.

WHAT IS THE SC PERFORMANCE TASK?

The SC Performance Task is an activity where students show what they know by thinking, solving problems, and explaining their answers. Students may read, write, and solve math problems to show their learning. There's no need to study—just come ready to do your best and show your thinking!

PLEASE MAKE SURE STUDENTS:

- Get a good night's rest
- Arrive at school on time
- Are ready to do their best!
