School Site Council Meeting

Join us Thursday, February 12 at 3:00 PM in Room A3. All parents are welcome to attend and share input on school programs and plans! This is a great opportunity to learn more about school goals, give feedback, and help shape decisions that support our students' learning and success.

Parents of English Learners- ELPAC Assessment

San Miguel will continue with Summative English Language Proficiency Assessments for California (sELPAC) this week. If your child is identified as an English Learner by the state of California they will be participating in this assessment over the coming weeks. The Summative ELPAC measures how much progress your child is making in listening, speaking, reading, and writing in English. This test will give your child's teacher information about where your child may need extra support in their English development and the results will be mailed to your home near the end of the school year.

If you have questions about the assessment, please reach out to Mrs. Fiala, our assistant principal.

SOCIAL WORKER CORNER

Love Learning, Love Attendance

Valentine's Day is around the corner, and February is a great time to talk about loving learning and loving school routines.

Showing up every day helps students:

- ♥ Build friendships and trust with teachers
- ♥ Feel confident and supported
- ♥ Stay on track with lessons and activities

Families can support attendance by:

- Keeping bedtime and morning routines consistent
- Planning appointments outside school hours when possible
- Encouraging kids to attend even on days they feel tired or unsure

Let's spread love by making attendance a priority! 📅❤️
