ASSOCIATED COSTS

Separate and apart from any usage fee, users will be responsible for associated costs of the facility or field. Associated costs will include such things as custodial help, stage crew, security, food service staff fees, consumable supplies, damage to facilities, and other such costs. Custodial staff must be present when the building is in use. Food service staff must be present when the kitchen is used. The amount of the associated costs for each facility will be determined by the district and provided to the potential user upon their request.
