

Ecology Explorers Club at East Brook with Mrs. Cusato

WHO:

Grades 3-6

WHEN:

Mondays 3:30-4:30

- 3/2, 3/9, 3/16
- 3/23, 3/30, 4/6
- 4/20, 4/27

WHAT WE WILL DO:

Each week is a new mission! As an Eco Explorer, you will:

 **Become a Nature Detective:** Learn to identify animal tracks and uncover hidden clues in the wild.

 **Build Like an Animal:** Take on STEM challenges to build beaver dams, bird nests, and bug hotels.

 **Experience Microscope Magic:** Look at soil, leaves, and water samples under the microscope to see a hidden world.

 **Watch the Weather:** Build your own weather tools and track the clouds.

Join the Adventure! ✨
