SUMMER ACADEMIC PROGRAM RULES AND REGULATIONS

Students who choose to attend any Summer Program must meet the expectations for behavior outlined by the classroom teachers, instructors, supervisors and administration. Expectations, as listed in this guide, are reviewed the first day of class, and students sign that they understand these guidelines.

LT students are expected to conduct themselves well. Failure to behave in an appropriate manner may subject the student to disciplinary action or dismissal from the Summer Academic Program course in which they are enrolled.

A student may be dropped from the Summer Academic Program on the first violation of regulations. Such violations may include but not be limited to arson, fighting, gang/secret society member or representation, gross disrespect intimidation, possession of substances, and/or possession of weapons. Students may receive one warning to change inappropriate behavior for lesser infractions. A second offense may result in removal from the Summer Academic Program.

Summer Academic Program students may be dropped from a course with a grade of WF (Withdrawal Failure) for disciplinary reasons.

ATTENDANCE

Because of the length and nature of the Summer Academic Program, excellent punctuality and attendance are vitally important contributors to success. As a result, each student is expected to arrive at school on time and to be in attendance. Students and parents should take special note of the following Summer Academic Program policy.

A student may be dropped from a semester Summer Academic Program course with a grade of WF (Withdrawal Failure) and receive no credit if he/she:

- Accumulates **more than one excused absence** per semester;
- Accumulates **more than two tardies** to school or from the mid-morning break per semester;
- Accumulates **any unexcused absence** (any tardy exceeding 10 minutes may be considered an unexcused absence depending on the circumstance).

Activities such as family vacations, athletic competitions, and other non-illness related absences are unexcused absences.

If a student is unable to attend class for any reason, a parent/guardian must report the absence to the Summer Program Office as early as possible on the absence date. Calls will be taken beginning at 7:30 a.m. Voicemail will record messages at other times.

ATTENDANCE PHONE NUMBER
(708) 579-6528

SAFETY PROCEDURES

Procedures for weather related, fire and power failure situations are reviewed with all students on the first day of class. Students are expected to respond to all alarms as a danger signal. They are to follow the guidelines as outlined and the instructions of adult supervisors.

EMERGENCIES

Students are required, when registering, to list their home phone numbers and emergency phone numbers where parent(s)/guardian(s) may be reached during school hours. Before a student will be released to go home because of illness, LTHS must receive approval from the parent(s)/guardian(s). Telephone messages for students will be delivered only in emergency situations.

VISITORS

Visitors are NOT permitted to attend Summer Academic courses, Summer Activity programs, nor enter the buildings. Parent(s)/guardian(s) or others who are picking up students must wait for them outside of the buildings and must observe traffic and parking rules.

STUDENT DRESS

All students are expected to present a neat and clean appearance. Hats, beach and athletic wear are not acceptable. Clothing with references to drugs, liquor or gangs will not be permitted. By state law and for health and safety reasons, shoes must be worn in the building at all times.

SMOKING

Smoking is strictly prohibited at any time at Lyons Township High School, in any of its buildings, or on any adjacent grounds. Students found smoking will receive disciplinary consequences. Those under the age of 18 will be referred to the LaGrange or Western Springs Police Department for violation of the smoking and possession ordinances.

LEAVING THE BUILDING

Students are expected to come to class on time and remain in class until class is dismissed. Students may not leave the building for any reason, INCLUDING ILLNESS, without first reporting to and clearing the departure through the Summer Program Office. FAILURE TO DO SO MAY RESULT IN BEING DROPPED FROM THE COURSE.

TRAFFIC AND PARKING RULES

Students who drive to South Campus must park in the lot on the north side of South Campus. Students who drive to North Campus must park in the back end of the North Campus parking lot. Reckless driving of automobiles or any vehicle on or about the school grounds is strictly prohibited. Once a vehicle is parked in the lot, students ARE NOT permitted to loiter in their vehicles before, during, or after school hours. Students are not allowed to return to the vehicles during Summer Academic Program hours. Students are expected to exercise good judgment and follow the rules of the road including any local, Township, County, and State ordinances/laws while operating their motor vehicles on school property. The school assumes no responsibility for the vehicles. No attendant will be provided.

BUILDING MAINTENANCE

Students are expected to keep the building clean and litter-free. Unless otherwise directed by a staff member, students are to confine hall traffic to the immediate area in which their classes are located. Washroom facilities will also be available in the area adjoining the cafeteria. Security personnel will be on hand to assist students with any non-classroom problems.

CREDIT INFORMATION

Students will earn 1/2 credit for each three week semester course. Students may earn a maximum of 1 credit during the entire six-week summer schedule. Students enrolled in Keyboarding or PE will earn 1/2 credit for the full six-week course.

OUT OF DISTRICT STUDENTS

Students from other schools who need credit transferred back must contact both their teachers and the Summer Program Office. Such notification should be made in the first week of the semester.

ANTICIPATED GRADUATION

Students who expect to graduate upon the successful completion of the Summer Academic Program must notify both the teacher and the Summer Program Office. Such notification should be made by the end of the first week of the semester.

EXAMS AND GRADING

QUIZ/EXAM

Quizzes and Exams will be given throughout the summer. Students missing exams will be given a grade of I (Incomplete). It will be the responsibility of the student to make arrangements with the teacher to make-up the exam. Students must complete exams before the fall semester of the following school year for courses that are prerequisites for the following school year. Otherwise, students will have six weeks to make up an incomplete grade.

REPORT CARDS

Report cards are accessed on the Infinite Campus portal within two weeks of the close of second semester.

INCOMPLETE GRADES

An incomplete grade given for any reason **MUST** be made up prior to the end of the first six weeks of the grading period in the fall of the following school year, or it will automatically be changed to an F (Failure). Arrangements for make-up work should be made between the student and the teacher.

FAILURE NOTICES

A failure notice or call will be made to the parents of those students failing or near-failing work at the end of the mid-term of each Summer Academic Program semester. Parents should realize, however, that **a failing grade may still be given to the student even if a failure notice has not been mailed nor received.**

DROPPING A CLASS

A course dropped after the midpoint of each semester may result in a grade of WF (Withdrawal Failure) unless the drop is due to circumstances beyond the student's control such as serious illness or injury. In such cases, a grade of W (Withdrawal) may be used.

SUMMER SERVICES

LIBRARY/MEDIA SERVICES

The North Campus library/media center will be open from 7:45 a.m. to 12:45 p.m. each day of the Summer Academic Program. Students who have outstanding library obligations will not receive credit for the course(s) taken until these obligations are cleared. Identification and proof of Summer Academic Program enrollment will be needed to check-out library materials.

LTHS maintains a textbook rental system in order to reduce costs to students and parents. For the Summer Academic Program, students are only required to purchase those texts/items which have been designated as consumables. Other textbooks are "rented" to the student as part of the regular, annual rental fee for LT students and included in the tuition for non-LT students. At the same time, older siblings will work at the station program in a different part of the pool. SWIMMING-LEARN TO SWIM PROGRAM PRIVATE LESSONS

A select group of trained college and high school-aged instructors teach the classes. The program aims to average four students per instructor. The private lessons follow the sixteen stations of the program. Private lessons allow for more direct, one-on-one instruction of skills. All classes are co-ed.

Eligibility: Students must be able to dress and undress on their own. They must be trained in the use of the toilet. Students must be at least 3 years of age or receive director approval. Each child may participate in a maximum of two sessions.
